

## Testing—Manual Grading

**Manually Grade**

If you use essay questions in your quiz, you will need to manually grade the student's response.

Login to Moodle and navigate to the course.

Locate and click on the quiz link.

## Topic 1

 Chapter 1 Quiz

## Chapter 1 Quiz

Use the editing drop down menu and select Manual grading.

Moodle will load all of the questions in the quiz that need to be manually graded.

Click on the “grade” under the To Grade Column.

## Chapter 1 Quiz

## Questions that need grading

[Also show questions that have been graded automatically](#)

Q #	T	Question name	To grade	Already graded	Total
1		What do we do	1 grade	0	1 grade all

# Grading attempts 1 to 1 of 1

## Attempt number 1 for Darth Vader

Question 1

Complete

Points out of 1.00

Flag question

What do we do here?

I have no idea.

Save and go to next page

Moodle will load all of the questions that need to be graded manually.

Instructors can leave feedback in the Comment textbox.

The grade for this question should be entered in the box provided.

Save and go to the next page.

Click on Results—Grades under the editing dropdown menu.

The grade will now appear in the Results area and the grade for the entire quiz will be posted in the Gradebook.
