

# HOW TO APPLY TO GRADUATE

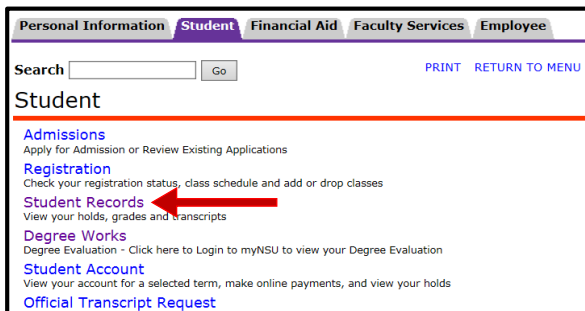

**NOTE:** The appearance of a name in the commencement program is presumptive evidence of graduation, but it is **not** regarded as conclusive. It is impossible to have an official commencement program since the program must be printed before candidates' applications for a degree can be officially verified. Therefore, a name listed in the commencement program and the participation in the commencement ceremony do not guarantee the awarding of a degree. The official Northwestern State University transcript, sealed and signed by the University Registrar, is documented evidence of the student's permanent academic record and the student's possession of degree(s) awarded by NSU.
