

NORTHWESTERN STATE UNIVERSITY
COLLEGE OF NURSING & SCHOOL OF ALLIED HEALTH
GOALS

(Derived from CONSAH's 2018-2023 Strategic Plan)

1. To create on-campus and online environments that support nursing and allied health students' achievement of academic, career, social, and civic success.
2. Provide academic programs and learning experiences that attract diverse student populations and produce exemplary graduates that bring regional eminence to the CONSAH.
3. Ensure programs and curricula produce graduates that meet current and future workforce needs.
4. Enhance the University's ability to recruit athletes who choose a nursing or allied health major.
5. Develop and enrich community relationships between the CONSAH and community stakeholders.
