Student Technology Fee
Special Initiative Request Form
Fiscal Year 2022-23
Northwestern State University of Louisiana

ALL BLANKS MUST BE FILLED COMPLETELY

Prepared by:_____STAT_____ For:___Campus Initiatives_____

Department/Unit:_____ College:___NSU_____ Campus: _NSU Community

Which NSTEP Goals/Objectives does this project meet? _____1 - 10_____

Proposal Requested Amount:$_____223,640.24_____Budget Attached (circle one): YES/NO

1. Describe target audience.   All students enrolled at Northwestern State University.
2. Describe project/initiative for which you are requesting funds.   To purchase equipment to be used by and for all NSU students.
3. State measurable objectives that will be used to determine the impact/effectiveness of the project.   The equipment will directly impact all students on the Natchitoches, Alexandria, Shreveport and Ft. Polk Campus.
4. Indicate how each project objective will be evaluated.   The effectiveness of system will be evaluated by the students on and off campuses in the academic coursework.
5. If funded, which NSTEP http://www.nsula.edu/nstep/NSTEP.pdf objective(s) will this funding of this project advance? How will funding of the project advance the University and College/unit technology plan?   Objectives 1 – 10 will be enhanced.
6. Provide a justification for funding of this project. Estimate the number of student that will be served per academic year and in what ways. Please indicate also any unique needs of the target group.   This project will directly affect all students on all NSU campus to better prepare them for coursework related technologies.

7. List those individuals who will be responsible for the implementation of the project/initiative and indicate their demonstrated abilities to accomplish the objectives of the project.

Jennifer Long, Instructional Technology – will serve as project manager

8. Describe any personnel (technical or otherwise) required to support the project/initiative.

Instructional Technology will provide all technical support necessary.

9. Provide a schedule for implementation and evaluation.

Funding – October
Purchase – October/November
Installation – Spring Semester

10. Estimate the expected life of hardware and software. Explain any anticipated equipment/software upgrades during the next five years.

The hardware should have a life span from 5 years.

11. Explain in detail a plan and policy that will be in place to ensure property security/controls for any equipment received through a Student Technology Fee.
If you are requesting equipment that will be either/or checkout to students or moved within the department, you must provide a checkout/loan policy.

The department will follow policies and procedures in place by the university.

12. Below is a detailed budget.

Important Notice:

- Any delivery requirements in the original quote request are subject to product availability
- Unless GPO eligibility was provided by customer to the McKesson sales representative, this quote is not based on GPO pricing
- Quote valid for 30 days
- Equipment items may require a 4-6 week lead time unless a specific timefame is specified
- Drop-ship items ship directly from vendor
- To place an order based on this quote, please reply to your Account Manager
- Large PPE order and Covid Test Kits are not eligible for return, unless such return is the result of a recall or defective condition.
- The pricing provided is contingent on standard commercial shipping, labeling, and marking requirements within the continental United States
- Product availability is based on inventory at the time of order and subject to restrictions imposed by manufacturers
- McKesson is not a manufacturer of items and therefore is not able to prevent industry-standard supply chain issues such as manufacturer backorders, discontinuations, or allocations due to high demand or short supply. Additionally, McKesson will provide the products offered in our quote unless McKesson is contractually prohibited by the manufacturer to provide said products.
