**\*\*Provisional Educational Diagnostician:** A one-year provisional endorsement as an Educational Diagnostician may be issued if all requirements have been completed, with the exception of the 100-child-contact-hour internship. The intern employed on a provisional endorsement must work under a certified Educational Diagnostician who has a minimum of five (5) years of field experience in that position. At the time of employment, the Louisiana employing authority must submit verification of the supervision component. Until the internship is completed and the provisional status is removed from the intern's certificate, the supervising Educational Diagnostician shall sign all reposts and evaluations involving the intern
