

**12<sup>th</sup> Annual Academic Summit  
Venues and Parking  
Northwestern State University  
April 20-21, 2023**

Other than respecting handicap parking and not parking outside of designated parking spaces, parking regulations on Northwestern's campus expire at 3 pm on Thursday and noon on Friday. We will have parking attendants at the parking lot gates on Thursday afternoon at 12:30-3 pm and Friday morning from 7:30-10 am to give you access to the lots. A hang tag will be provided to identify you as an Academic Summit participant.

Thursday's registration and art exhibit will occur in the building marked *Magale Hall*. A concert follows our event, so you are asked to move your vehicle to one of the lots with a star prior to dinner and the poster and oral sessions in the *Student Union* and *Morrison Hall*. Friday's events will be held in *Morrison Hall*, the *FACS Building*, and the *Student Union*.
