

WHY IS THE IRB IMPORTANT?

1. To ensure that the appropriate steps are taken to protect the rights, welfare, and privacy of human subjects, prior to the initiation of all research (whether funded or not) involving human participants.
2. To support and promote research activities at NSU.

STAFF:

- ▶ James J. Mischler, Ph.D.
Director and Chair
- ▶ Janiel Moore
Graduate Assistant

HUMAN SUBJECTS INSTITUTIONAL REVIEW BOARD

OUR MISSION

"To ensure the rights and welfare of every person who may be involved in NSU sponsored research that employs human subjects."

MENTOR ONLINE SYSTEM

The Mentor Online System is the new submission system for IRB applications.

- It will be available starting Fall 2023
- As of that date, applications will no longer be accepted via email.
- Website address:
<https://www.axiommentor.com/login>

WHAT IS THE IRB?

The IRB is an administrative body established by the US federal government to protect the rights and welfare of human subjects recruited to participate in research activities conducted with the help and support of the institution with which it is affiliated.
