[1] Beginning with AY 2022-2023, Fall Semester reporting will have an effective date of October 1st of the previous calendar year.

[2] As required by ARC 472, Title IX Coordinators are to track and report to the chancellor the investigation status of power-based violence reports and the disposition of reports.

[3] For reference purposes, we have included two columns where other Coordinators may account from the information required in the Ars as it relates to administrative reporting requirements for Title IX Coordinators.

[4] Information about formal complaints is specifically required to be included in the Chancellor’s report. For全覆盖，BOR recommends that Title IX Coordinators reporting in the third columns serve as the basis of information to be included in the Chancellor’s report, so effectively a Title IX Coordinator can review the reports regarding formal complaints into the Chancellor’s report.

[5] Type of Complaint, Title IX of Power-Based Violence (PBV).

[6] Status of investigation as it pertains to formal complaints filed for an accusation of power-based violence or retaliation. If closed, length of time taken to resolve complaint.

[7] Type of power-based violence as violence alleged.

[8] Disposition of any disciplinary processes arising from the formal complaints.

[9] Institutions should indicate whether they are in the disciplinary status and also note if there was a sanction imposed and what sanction was imposed.

[10] Although not required by law, for data collection purposes BOR requests information pertaining to the gender of both the complainant and respondent.

[11] Although not required by law, for data collection purposes BOR requests information pertaining to the gender of both the complainant and respondent.
