Statement of Purpose: The purpose of the Louisiana State Fiddle Championship (LSFC) is to perpetuate the traditional music and styles of fiddling integral to many kinds of Louisiana music, to help develop an appreciation and understanding of traditional music, to encourage young fiddlers to pursue musical endeavors, and to encourage jam sessions and contests as a way to promote creativity and the continuation of the fiddle tradition.

Section 1: Contestant Qualifications

1. **Contest is open only to Louisiana residents.** Contestants may be asked to show proof of residence.
2. Grand Champions will not be allowed to compete the year following their win and are asked to judge in the year following their win.

Section 2: Registration, Entry, and Playing Order

1. Pre-registration is the preferred method of entering. **By pre-registering, contestants avoid having to pay admission to the Natchitoches-NSU Folk Festival.** Accompanists and one guest per stage performer are allowed on the pass list. If you pre-register, please fill out the form and either email it to folklife@nsula.edu, fax it to (318) 357-4331, or mail it to the Louisiana Folklife Center, NSU Box 5688, Natchitoches, LA, 71497. Pre-registrations must arrive at the Louisiana Folklife Center by **July 10, 2024**. Note that this is not a post-mark date, it is a **delivery date**. Order of play will be determined by a lottery system. Pre-registered contestants will then be mailed a list showing their order of play and their packet containing check-in information and other material.

2. Walk-in registration is permitted; however, walk-in contestants will pay Natchitoches-NSU Folk Festival admission for him/herself, accompanists, and guests. **Walk-in entrants must register no later than 12:45 pm** on Saturday July 20, 2024, at the Magale Recital Hall in Creative and Performing Arts Addition Building at 140 Central Avenue on the NSU Campus. **Once the contest begins at 1:00 pm, no entries will be accepted.** Walk-in contestants will play first (numbers will be drawn to determine playing order for the walk-in contestants); pre-registered contestants will follow.

Section 3: The Contest

1. Once fiddlers and accompanists have checked in, they will be directed to either a dressing room/preparation area where they may practice and warm-up, or they may be seated in the contestants' area near the Main Stage. Regardless of where fiddlers choose to wait, they are responsible for knowing when their turn to play is and should make themselves aware of order of play. Musicians may play and hold informal jam sessions in the preparation area but not in the audience area. Please pay attention to the Contest Steward, for s/he will call your name/number only three times when your time to play is nearing. When you are the next person to play, you should proceed to the on-deck area where you will remain until you are escorted to the stage to play. Once you play, you should remain in the Main Stage Area in case you are called to play in a fiddle-off or are called to the stage in order to receive a prize. Again, you will be called **only three times** to play in a fiddle-off or to receive a prize. Please listen for your name and/or number.

2. Contestants may play alone or with up to **two** accompanists. Please take care to enter and exit the stage promptly. Any contestant and accompanists who take more than two minutes to enter or exit will be penalized by the judges.

3. If a contestant or accompanist breaks a string or a peg slips, then s/he will exit the stage and will be given up to fifteen minutes to make the repair. The fiddler may then play the piece one more time.

4. In the case of a tie, the judges will call for a fiddle-off.

5. Three judges will assess the contest. Judges will be fiddlers and will make every effort to objectively evaluate fiddle contestants. The identity of the judges will be announced prior to the Championship. Fiddlers are encouraged to avoid talking or mingling with judges prior to the contest.

6. Judges will recuse themselves from judging if a conflict of interest appears to be imminent. In this case, an alternate will judge the division.

7. Fiddlers will be judged according to tone, timing, clarity, rhythm, and skill. Audience applause will not be a factor in judging.

8. No tunes may be repeated during the contest.

Section 4: Divisions
