### PMC Program Effectiveness: Program Outcomes

#### PMC CERTIFICATION RATES

**Certification Rates:** Expected Level of Achievement (ELA): each calendar year 80% or more of first-time test takers for each concentration will be successful on their certification examination.

| Calendar Year | PMC Concentration  | Certification Organization | Certification Pass Rate (%N) | ELA Met or Not Met |
|---------------|--|----------------------------|------------------------------|--------------------|
| 2021          | Family Nurse Practitioner (FNP)                          | ANCC                       | 100% (N=1)                   | Met                |
|               | FNP  | AANPCB                     | 100% (N=1)                   | Met                |
|               | Psychiatric Mental Health Nurse Practitioner (PMHNP)     | ANCC                       | 80% (N=5)                    | Met                |
|               | Adult Gerontology Acute Care Nurse Practitioner (AGACNP) |                            | N/A*                         |                    |
| 2022          | FNP  | AANPCB                     | 100% (N=3)                   | Met                |
|               | AGACNP   |                            | N/A*                         |                    |
|               | PMHNP  | ANCC                       | 100% (N=3)                   | Met                |
| 2023          | FNP  | AANPCB                     | 100% (N=2)                   | Met                |
|               | PMHNP  | ANCC                       | 100% (N=2)                   | Met                |
|               | AGACNP   | ANCC                       | 100% (N=1)                   | Met                |
|               | AGACNP   | AACN                       | 100% (N=1)                   | Met                |

\* No completers or none took the exam.

#### PMC COMPLETION RATES

**Completion Rates:** Expected Level of Achievement (ELA) is that is that each calendar year 70% of the student cohort complete the program within 200% of curriculum time.

| Cohort Year | Completion Year | Students (%N) completing in 200% of the time | ELA Met or Not Met |
|-------------|-----------------|--|--------------------|
| 2020        | 2021            | 77% (N=13)                                   | Met                |
| 2021        | 2022            | 71% (N=7)                                    | Met                |
| 2022        | 2023            | 86% (N=7)                                    | Met                |

#### PMC EMPLOYMENT RATES

**Employment Rates:** Expected Level of Achievement (ELA) is that 70% of annual program completers are employed within 12 months of program completion.

| Completion Year | % (N) Employed | ELA Met or Not Met |
|-----------------|----------------|--------------------|
| 2021            | 100% (N=10)    | Met                |
| 2022            | 100% (N=6)     | Met                |
| 2023            | 100% (N=7)     | Met                |
