## **NSU Academic Suspension Policy**

- 1. A student on academic probation will be suspended at the conclusion of any semester in which the student fails to earn a semester grade point average of at least 2.0. First-time freshmen admitted in good standing will not be suspended prior to two semesters of enrollment.
- 2. A student who has been suspended for the first time will be suspended for a period of one semester. All subsequent suspension periods are for one full calendar year.
- 3. A student suspended for the first time at the end of a summer term must remain out of school during the fall semester. A student suspended for the first time at the end of the fall semester must remain out of school during the spring semester. A student suspended for the first time at the end of the spring semester may attend the summer term. Students suspended for one calendar year at the end of the spring semester may attend summer school. To be readmitted to any semester, other than the summer session, they must appeal. If the student attends the summer term and increases the cumulative grade point average to 2.0 or higher, the student will be allowed to return in the fall semester. If the student does not raise the cumulative grade point average to 2.0 or higher during the summer term, the semester or calendar year suspension is in effect beginning with the Fall semester.
- 4. A student suspended for a second or subsequent time at the end of the spring semester may also attend summer school. To be readmitted to any semester other than the summer session, students must appeal.
- 5. A student suspended from Northwestern may not enroll in another university within the Board of Supervisors system but may enroll in a community or junior college with approval of both Northwestern and the community/junior college. Credits earned under these conditions may be accepted for a degree at Northwestern provided grades of "C" or higher are earned in each of the courses to be transferred.

In accordance with the above policy on suspension, **I understand that my summer performance must increase my overall grade point average** to a 2.0 or better or my suspension period beginning in the Fall semester will be in effect.
