Bio/Introduction:	<p>Hi! My name is Emmy, and I am a senior majoring in nursing (BSN). I want to help other NSU students succeed in their academic journey, and I have been an Academic Consultant for 3 years! My strengths as an Academic Success Consultant are helping students who are lost and overwhelmed in the work find their way! I love to help find tips and tricks to remember all of the information.</p> <p>My approach to tutoring, coaching, and mentoring is taking small pieces of information and ensuring the student understands them thoroughly. My approach works best when going over small sections, like a single chapter or two, rather than all the content on an exam at once. We can meet a couple times a week or weekly if need be!</p> <p>I look forward to working with you to help you achieve your academic goals.</p>

If you would like to schedule an appointment with this consultant, please complete the Academic Success Center Tutoring Request at the link below.
