

# RVT WANTED

## Isn't it time you loved where you work?

That's because we're our community's favorite animal hospital — and a great place to work! We're seeking a full or part-time registered veterinary technician to join our team in providing the best, most advanced veterinary care possible.

### WE CAN OFFER YOU:

- Competitive compensation
- Retirement plan
- Paid holidays/paid time off
- CE stipend
- On-the-job training
- Sundays and some Saturdays off
- Employee discounts on pet care and products
- Many opportunities to learn and grow in your career

You'll do best in this position if you are a self-motivated team player who can handle a sometimes stressful, fast-paced work environment and have:

- The ability to perform various diagnostics and assist with surgical procedures
- Great communication and customer service skills
- A commitment to client education
- The ability to lift 50 pounds
