HISTORY AND TRADITIONS

History

Northwestern State University of Louisiana stands on ground that has been dedicated to learning for well over one hundred twenty years. Prior to the Civil War a portion of the present campus was the property of the Bullard family of Natchitoches. As early as 1856 the Bullard mansion was in use as a convent by the Religious Society of the Sacred Heart. The following year a school building was erected at the convent and in 1884 the town and parish of Natchitoches purchased the property. Three of the four great white columns that once supported the east gable of the mansion still stand on "The Hill" and often serve as the unofficial symbols of the university.

The campus, developed upon rolling hills and high river bottomland, is acknowledged to be one of the most spacious and attractive in the South. The natural beauty of the site drew people to it even in prehistoric times. Long the home of a major Indian tribe for which it was named, the French fortified Natchitoches in 1714 as an outpost of their New World Empire facing Spanish Texas to the west. The city today takes pride in its standing as the oldest permanent settlement in the entire Louisiana Purchase Territory. Although the fires of the Civil War scarred the Cane River Country, Natchitoches escaped relatively unharmed, and many traces of its colonial and antebellum heritage remain.

In 1884 the State Legislature by Act 51 created the Louisiana State Normal School for the preparation of teachers. Shortly after, a member of the Legislature, Leopold Caspari, offered the convent site as a campus for the school with the anticipated approval of the citizens of Natchitoches. The offer was accepted and from 1885 to 1918 the Normal School offered two years of study for the training of teachers. Baccalaureate programs were inaugurated, and the State Constitution, adopted in 1921, changed the name of the school to Louisiana State Normal College.

The resources and curricula of "Normal" grew steadily to meet the increasingly diverse requirements of Louisiana's expanding population. In 1944 the institution's excellent service in its broader role was accorded formal recognition by Act 326 of the Legislature, which changed its name to Northwestern State College of Louisiana.

Northwestern maintained and strengthened its long tradition of leadership in public service and academic endeavor and became, in 1954, the first college under the jurisdiction of the Louisiana State Board of Education to offer the master's degree. The Specialist in Education degree was first offered in 1966.

On June 18, 1970, Governor John J. McKeithen signed the legislative act, which brought the old campus its greatest distinction by changing its title to Northwestern State University of Louisiana.

In 1980 the old campus quadrangle where the columns stand was entered into the National Register of Historical Places under the title: "Normal Hill Historic District."

Although, primarily a regional institution, Northwestern also offers an opportunity for education at other satellite locations specifically, distance learning is available in Leesville, Shreveport, and Alexandria. In addition to academics, these centers are also developing student life programs.

HISTORY AND TRADITIONS

History of Nursing at NSU

Northwestern State University admitted its first baccalaureate Nursing students in 1949. Over the past seven decades, more than 8,000 students have received degrees from the NSU College of Nursing, making it the oldest state supported nursing program in Louisiana.

In the mid 1940's the visionary nursing community in Shreveport recognized the need for a collegiate-based nursing program. Five hospitals agreed to phase out their diploma programs opening the door for NSU to create a Bachelor of Science in Nursing (BSN) program.

In 1968, the Bachelor of Science in Radiologic Technology (BSRT) program was created. The Radiologic Sciences program is offered on both the Shreveport Campus and the Alexandria Rapides Hospital Campus.

The School of Allied Health (SAH) also has the Master of Science in Radiologic Sciences (MSRS) which started in 2009. This is the only MSRS program in Louisiana and one of only a handful in the nation. Additionally, the SAH houses the Bachelor of Applied Science in Allied Health (BASAH) that started in 2012. The BASAH program was the first applied science degree in Louisiana.

The RN to BSN and master's programs continue course offerings in the Alexandria area. In fall 1999, RN to BSN course offerings were initiated via the Internet for those diploma and associate degree graduates who are interested in seeking a baccalaureate degree.

TRADITIONS

Christmas Festival

On the first Saturday in December, the city of Natchitoches brightens up for its annual Christmas Festival. Featuring a parade, a variety of booths, live entertainment, and a fireworks display, Natchitoches celebrates the Christmas season with a festival and display of lights, which has captured national attention.

Students take an active part in all aspects of the festival and are urged to invite family and friends to experience “The City of Lights” and its spectacular display.

Family Day

Sponsored by the First Year Experience, Family Day is a day shared by students and their families. Family Day gives parents an opportunity to visit their student’s home-away-from-home and experience college life! Activities include games and inflatables for younger siblings, and a family tailgate party. A Northwestern State football game highlights the day.

Folk Festival

The Natchitoches-Northwestern Annual Folk Festival celebrates Louisiana folk arts during the third weekend in July each summer. In addition to the exhibits, which feature an important industry or occupation, the festival presents a wide variety of traditional folk crafts, music and food. The festival attracts people regionally and nationally.

Homecoming

Homecoming is a special tradition in which students, alumni, friends, and the Natchitoches community participate. Held each fall, Homecoming is a week-long event featuring the Homecoming parade, pep rally, and class reunion. The highlight of Homecoming Week is the presentation of the Homecoming King and Queen and their honor Court and a special halftime show featuring the “Spirit of Northwestern” Marching Band.

The Rock

The rock, an imposing chunk of limestone, was brought to campus in the summer of 2006 by members of the university staff. Standing in solitary prominence between the

TRADITIONS

Student Union and the Creative and Performing Arts Center, The Rock echoes the sentiment that “NSU Rocks!” The Rock serves as a student bulletin board. The layers of paint accumulate as the message on The Rock continuously changes to announce student events and activities.

Lady of the Bracelet

In the early 1920s, the Potpourri, Northwestern’s year-book, sponsored the first beauty pageant held on the university campus. The contestants were selected from photographs submitted to well-known producers for judgment and were chosen for their charm and beauty.

In 1959, Miss Kahne Dipola was crowned the first Miss Lady of the Bracelet and she received a gold bracelet to wear when she represented the University in public. Over the years, the bracelet has been passed down to each holder of the prestigious title.

Through the efforts of Mr. Robert W. Wilson, Sr., the Student Union Governing Board purchased the first franchise from the Miss Louisiana Pageant in 1971, enabling Northwestern’s Lady of the Bracelet to enter the state contest.

The University Programming Council has continued the tradition of sponsoring the Lady of the Bracelet Pageant for the enjoyment of the Northwestern community. The Lady of the Bracelet Pageant has gained state recognition for production, scholarship, and quality of contestants.

The Legend of Isabella

Isabella was a young French maiden, renowned for her beauty, who once lived in the original Bullard mansion after the Bullard's were gone. The young lady had many suitors but preferred the company of a young man from the East, sent to Louisiana on business. They fell in love and were to be married.

Shortly before the wedding date arrived the young man was killed in a duel. Legend has it that the duel concerned a dispute over another woman.

Isabella, overcome by grief became a nun and the French maiden’s beauty wasted away through constant mourning of her intended. Everyone believed she had gone mad from grief and mourning. One stormy night she ended her mourning by plunging a dagger into her heart. Soon after, she was found dead in her room, with a bloody handprint on the wall.

Her spirit roamed Bullard mansion until it was torn down. Since then she has roamed various buildings on campus. She lived in East Hall until it was torn

TRADITIONS

down in 1932. This was evident by the eyewitness accounts of girls who lived in East. From East Hall, Isabella's spirit moved to the Music Hall and resided there until 1946 then this building was also torn down. Just before the Music Hall was dismantled, a group of young men, dressed in sheets, coaxed Isabella from the doomed building.

From there she wandered aimlessly around campus from building to building (including East Varnado) for almost three years, until, becoming weary, she chose Caldwell Hall as her new residence. Speculation has it that Caldwell was chosen because of its close proximity to the original Bullard dwelling. According to newspaper articles the official date of the move was January 15, 1949. Reportedly a letter from the ghost was found on the steps of Caldwell along with a few drops of blood.

When Caldwell Hall burned in October 1982, a group of 750 students gathered and performed a ceremony on Halloween night that aided Isabella in her transition to her present location. Isabella's present residence is the Old Women's Gym (presently the National Center for Preservation Technology and Training) located on College Avenue beside Varnado Hall.

Mr. and Miss NSU

Beginning in 1956 and continuing the tradition today, Mr. and Miss NSU remain the highest honor a student can receive from their peers. SGA hosts the election each fall allowing NSU students to elect two of their peers. Mr. and Miss NSU are presented annually at an NSU home football game. These two outstanding students can be seen at other university events and activities throughout the year.

Purple Fridays

All students and employees are encouraged to wear purple on Fridays to promote Demon Spirit and a unified campus.

Purple and White

Northwestern's official colors are purple and white. In the 1890s the colors were decided upon by two campus organizations, Seekers After Knowledge Literary Society and the Eclectic Literary Society. S.A.K. colors were purple and gold and E.L.S. colors were gold and white. The two organizations combined their colors and decided on purple and white as the Northwestern State University official school colors.

TRADITIONS

Vic The Demon

On November 8, 1923, by proclamation of President V. L. Roy and Coach H. Lee Prather, all athletic teams became known as the Demons. The name was decided upon by a contest open to all students with a grand prize of \$10.00. A committee was appointed by the President to narrow down the names submitted by the student body. The final selection was decided by a vote of the students. The two most popular choices were Braves and Demons. Among other names submitted by students were Sharks, Daredevils, Musketeers, Pelicans, Prather's Ground Hogs, Bloodhounds, Cyclops and Serpents. The official winners were Aileen Ritter and Truett Scarborough.

On September 22, 1984, the Demon received his official name by means of another contest, sponsored by the Athletic Department, the contest was open to faculty, staff, and students. The objective was to find a name for the Demon. Over 300 entries were submitted to the committee. The grand prize was an all-expense paid weekend at the Louisiana State Fair Classic. Ray Carney an alum of the University, was the official winner with "Vic" which is short for "Victory".

The Inferno!

Each fall at the first home football game of the season, new students take Turpin Stadium by storm, forming the extension to the players' tunnel as the Demon football team takes the field. All new students, including the Spirit of Northwestern Band and spirit group members, and all student-athletes, participate in this tradition.

Alma Mater

Oh, Alma Mater here today,
we for thy lasting blessings pray,
we know not where our paths may go,
but, thou'll uphold us still we know.
Unchanging thou, 'mid changes vast,
unswerved from ideals of the past,
steadfast and true, our watchword e're shall be –
To thee, our Alma Mater, Loyalty!

Thy trees their solemn chorus bend
about thee, flowers their censers blend.
Our voices swell their murmuring strain,
our hearts repeat the old refrain,
thy purpose high to carry on Northwestern, thou has honor won!
Steadfast and true, our watchword e're shall be –
To thee, our Alma Mater, Loyalty!

In after years, when far away,
thy presence strong will near us stay,
and as the echo of our son will, with new courage, lead us on;
And to our eager vision then each subtle memory meaning lend,
steadfast and true, our watchword e're shall be –
To thee, our Alma Mater, Loyalty!

Demon Fight Song

Go ye Demons take the field.
Northwestern Demons never yield.
So, fight Demons win tonight, victory is on our side!

Go! Fight! Win!

Purple and white shall ever reign,
filling the air with battle strain.
So, Demons forever stand and fight for dear old Demonland.

Academic Advising

Academic Advising at Northwestern State helps students achieve their educational, personal, and career goals by providing guidance and assistance in all facets of their educational experience. It is regarded by the University as an extension of the teaching function and, therefore, as an important responsibility of the faculty. Students are assigned a faculty advisor in the department of their major. To find the name of your academic advisor, access myNSU at my.[nsula.edu](https://my.nsula.edu) or contact the department directly. If you need additional assistance, please contact Academic Advising Services at (318) 357-6980 or via email at advising@nsula.edu.

Faculty advisors are available to students throughout the academic year, but their role is especially important during the registration process. The advisor explains university policies and procedures and assists students in planning a program that satisfies these requirements. The advisor also explores career alternatives and, when necessary, makes appropriate campus and community referrals on the student's behalf. The student should be aware, however, that knowledge of and adherence to university regulations, both academic and otherwise, are ultimately the student's responsibility.

Our professional team of advisors works closely with departmental faculty advisors and academic departments to help NSU students achieve their academic and professional goals. Students who are undecided about their majors, Associate and Bachelor of General Studies majors, Bachelor of Arts in Liberal Arts majors, and pre-clinical level nursing majors are advised through this area. Additionally, all staff advisors may serve all majors in summer months. For information please contact us at (318) 357-6980 or advising@nsula.edu.

Academic Calendar

The Academic Calendar, with important dates and deadlines, is published each year in the University Catalog and is available online at nsula.edu/registrar/.

Academic Standing

There are three categories of academic standing: academic good standing, academic probation, and academic suspension (one semester or one year). Although students will usually receive official notification of academic standing, such notice is not a prerequisite to students being placed in one of the above categories. It is the responsibility of each student to ascertain academic status prior to the beginning of the next enrollment period. Professional departments or divisions within the university may set additional academic standards for progression in their programs. The word "semester" as applied in this policy, includes summer terms.

Academic Success Center

The Academic Success Center provides peer support, learning resources, and academic guidance to all students by building one-on-one relationships between students and their academic tutors or peer mentors. These tutors and mentors help ensure that students are academically prepared to earn a college degree. The Center's environment encourages good study habits and learning across all disciplines, especially the humanities and STEM subjects. For more information, please contact us at (318) 357-4291 or academicsuccess@nsula.edu. Please visit our website: <https://www.nsula.edu/academicsuccess/>.

Electronic and Continuing Education

The Office of Electronic and Continuing Education (ECE) designs develops and a delivers a variety of educational programs required to meet the learning needs of a diverse student learner. Through credit and non-credit courses, conferences, and institutes, individuals are provided the opportunity to continue their education. To meet this obligation to provide educational opportunities, it is the unit's continuing responsibility to identify and remove constraints of time and place that might burden learners and limit access. With fully accredited online degree programs from the associate through the doctorate levels, and a full

array of support services, no student in need of an education should feel place or time bound.

NSU offers a variety of electronic credit courses, from a selection of courses offered via video conferencing to entire degree programs online. One goal of the Office of Electronic and Continuing Education is to provide information and services to students involved in these electronic courses. Through Electronic Learning's web portal, "eNSU," students have access to help pages, links to admissions, registration, fee payment, and financial aid. ECE works to provide the best possible electronic learning experience for students.

The non-credit program offers short courses for those not interested in formal degree programs. The University also awards continuing education units (CEU's) through the non-credit program. National guidelines set forth in the Commission of Colleges' document C.E.U. Guidelines Criteria are followed.

Non-credit and credit training may be applied toward two- or four-year programs through prior learning assessment. For more information, visit the Office of Electronic and Continuing Education at 100 South Hall, on the web at <https://www.nsula.edu/ece/> or call ECE at (318) 357-6355 or 800-376-2422.

Notification Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

- 1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.**

Students should submit to the registrar written requests that identify the record(s) they wish to inspect. The registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained in the University Registrar's Office, the registrar will advise the student of the correct official to whom the request should be addressed.

- 2. The right to request the amendment of the student's education records that the student believes is inaccurate or misleading.**

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and

specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff), a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Supervisors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official committee in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility. Upon request, the University discloses education records to officials of another school (registrar to registrar) to which a student seeks or intends to enroll.

4. The right to file a complaint with the U. S. Department of Education concerning alleged failures by a state university to comply with the requirements of FERPA.

One Card/Student Identification Cards

Students are required to obtain and carry a Northwestern State student identification card at all times. First-time students are issued a Northwestern State University identification card for the length of their stay at Northwestern. This card serves as a Sodexo meal card, Athletic and Theatre pass, as well as access to Computer Labs and Watson Library. It also serves as identification to UPC and SGA sponsored events throughout the year. The Northwestern ID card also functions as the student's library card and is required to check out any books or materials from the Northwestern State University Watson Library, as well as the Shreveport

AUXILIARY SERVICES

and Leesville campus libraries.

The One Card also functions as a debit card for the Sodexo convenience store-Fork Stop, the University Bookstore and all campus dining facilities. Students may deposit money on their One Card by coming to the One Card Office in the Student Services Center to complete an application.

The first issued card is free of charge. Each replacement for a lost, stolen, or broken card is \$20.00. Cards reported stolen will be replaced free of charge with a police report provided at the time the card is made. Students with name or social security changes need to change information in the Registrar's Office first and bring a copy of the information to the One Card Office and an ID will be replaced free of charge. No nicknames or preferred names will be allowed on ID cards; only official information that is on file with the Registrar will be printed on your Northwestern ID card.

ID cards are available in the One Card Office in the Student Services Center between the hours of 8:00 a.m. - 4:30 p.m. Monday through Thursday, and 8:00 a.m.-12:00 p.m. on Fridays (excluding holidays).

The original card will be permanently deactivated when a card is replaced. Your One Card is an access key and must be presented to enter numerous campus facilities, attend special events, obtain services, and utilize the library. Your card and related accounts are non-transferable. If your student ID card is given to anyone, the individual whose identity is represented on the card assumes all financial and/or criminal liability for the card's misuse.

At the beginning of every semester students are required to obtain a current semester sticker on the back of their student identification card that will indicate active enrollment during the respective semester. This process may be completed the week of fee payment or by visiting the One Card Office.

The Northwestern ID card functions as a debit card for those students who activate their Speed Demon Account. This declining balance account is separate from a university meal plan and can be used in campus coke and vending machines, the Sodexo convenience store, the University Bookstore and all campus dining facilities. Students may deposit money on their One Card by coming to the One Card Office in the Student Services Center, 3rd floor, to complete an application.

Northwestern has partnered with BOM Bank to provide free student checking to NSU students. Your student ID will serve as the debit card for this account. All transactions require a PIN for security.

Students also have the option of having their financial aid refunds or student worker payroll checks direct deposited into the checking account of their choice. Students must fill out the EFT (Electronic Funds Transfer) Form available in the Student Accounting Office in the Student Services Center, 3rd floor, or online at the One Card website. Along with the completed form, the student must provide a voided, blank check attached to the form. This enables Northwestern State to automatically deposit refunds directly into the students' checking account.

University Police

The University Police Department provides 24/7 police protection and services for the Natchitoches campus. University Police also respond to any situation at an off-campus fraternity house. Louisiana Revised Statute 17:1805 vests University Police officers with full law enforcement powers, authority, and responsibilities identical to the local police or parish sheriff in one's home community.

The City of Natchitoches also commissions all officers. Each officer is required by law to complete the Louisiana Commission on the Law Enforcement Police Officer Standards and Training course. This is a rigorous 16-week course taught by a Basic Law Enforcement Academy. All officers receive additional in-service training in the areas of firearms, legal updates, DWI enforcement, drugs, etc.

The University Police Department has an excellent working relationship with other criminal justice agencies including Louisiana State Police, Natchitoches Parish Sheriff's Department, Natchitoches City Police and Natchitoches Parish District Attorney's Office. University Police also operates a "See Something, Say Something" campaign which encourages persons that witness crimes to

furnish University Police with information that may lead to the arrest of the person responsible for the crime. University Police officers are commissioned as such by the Department of Public Safety. Such commission provides the officer the right to carry a concealed weapon and to exercise the power to arrest.

III NORTHWESTERN STATE

AUXILIARY SERVICES

- If you're going out to a party or a bar, go with a friend.
- Let someone know your plans; where you are going and who you are going with.
- Don't walk alone at night. Use the NSUPD Safety Escort Program. (See below)
- Don't leave items in view in your vehicle. Put them in the trunk or take them inside.
- Always lock your doors and windows.

NSUPD Safety Escort Program:

It is a major of the goal of the NSU Police Department to provide a safe environment for our students, staff, and faculty members. One service that we are happy to use is what is known as **Safety Escort**. If you are leaving a building late at night and want to feel safer walking out to your vehicle, don't hesitate to call our office and request an officer, to make sure you make it to your vehicle safely. If it's nighttime and you are scared to walk across campus alone, call our office and an officer will pick you up and give you a ride to any on-campus building. Call our Office at (318) 357-5431 and an officer will be there as soon as they are available, to see you safely to your destination.

Internet & Cell Phone Safety Precautions:

Social Media and the Internet have become a major part in the life of our university and our students. From Instagram to YouTube the internet has numerous options for shopping and socializing. We just want our students to be aware of a few safe measures to take while on the Internet to protect themselves and their finances.

- 1. Be Careful Who You Friend.** Social Media is a great way to keep up with old friends and even make new ones. However just like in person, you should always take great care of who you friend, because some people aren't who they really say they are. From practical jokers to cyber stalkers, people often use these sites to betray your trust, to find out more about you, and to take advantage of you when vulnerability may arise. The Internet is a great place for someone to tell a lie and not get caught. Not everyone is who they say they are.
- 2. Once it's posted, it's out there and there are no takebacks.** Please know that whatever you put on the Internet, in most cases stays on the internet. If there is an embarrassing situation or a statement that you may regret later, it's probably best if you don't post it. Remember you are at an institution of higher learning, meaning that you are probably going to apply for a lucrative position sometime in the future, do you really want your future boss, spouse, or other person of importance to you, to see you at your most embarrassing moment or something posted out of anger. Just take a moment to think about it before you post it.

3. Cell Phones-Be aware of who you are giving your information to.

Never provide your personal information to anyone that you don't know. For example, some social media or networking sites offer an "add a phone number feature", "checking in" at a location and other features. These are great ways for people to find you and the places you like to visit, all information that a potential stalker would love to have. It can also let everyone know that you are not at home at that time.

University Police officers are commissioned by the Department of Public Safety. Such commission provides the officer the right to carry a concealed weapon and to exercise the power to arrest when discharging their duties while in or out of uniform. In the discharge of their duties on campus and while in hot pursuit, on or off the campus, each University Police officer may exercise the power of arrest. University Police officers have the authority to discharge their duties off campus if engaging in intelligence gathering activity, investigating a crime reported on campus, or if specifically requested by the chief law enforcement officer of the parish or city. University Police officers are responsible for a full range of law enforcement services including but not limited to responding to incidents, offense report writing, medical emergencies, fire emergencies, bomb threats, other on-campus emergencies, traffic accidents, enforcement of laws regulating underage drinking, the use of controlled substances, weapons, and all other incidents requiring police assistance. As necessary, crime information involving serious incidents and arrests is shared with the Natchitoches City Police Department and Natchitoches Parish Sheriff's Office. The vehicle identification numbers and serial numbers of all vehicles, office equipment, and personal property stolen from the campus are reported through the National Crime Information Center (NCIC).

*Potential criminal actions and other emergencies on campus can be reported directly by any student, faculty/ staff member or visitor. The University Police Department emergency telephone number is (318) 357-5431. This number provides direct contact with the radio dispatcher 24 hours a day.

This service is available for anyone at any time during weekends, holidays, and when the university is closed for semester breaks. Activities at Northwestern are selected to suit the needs and interests of the students. Events involving the entire student body include concerts, dances, movies, ball games, exhibits, and forums featuring national figures in both formal and informal discussion. These and many other activities are planned and presented by the students themselves, serving on committees and with organizations.

Approximately 100 recognized student organizations are available to students. Offering something for everyone, these organizations give students ample opportunity to become involved in planning activities, making new friends, developing leadership qualities, and receiving recognition for a job well done. Student Media

The University recognizes the Current Sauce, Potpourri, Argus and KNWD as the student media of Northwestern State University. These student publications and the radio station serve dual purposes for the students. First and foremost, they were established to serve as forums for student expression, providing students with an opportunity to inquire, question and exchange ideas. Secondly, they provide students with an opportunity to use and expand writing and broadcast skills. Students working in the media are expected to comply with the standards of ethics, law, fairness, and accuracy.

To protect First Amendment rights of students, the University gives Editorial control to students, with the publication editor or radio station manager having the final decision-making authority. Students are encouraged to consult with the faculty advisor about difficult editorial decisions, but the students make the editorial decisions.

Annually, the Student Media Board, as outlined in the Student Government Association Constitution, convenes for the purpose of selecting publication editors and a station manager. The selected editors and station manager appoint the other staff members. The term of each editor and the station manager shall be as stated in the Student Government Association Constitution. No prior restraint shall be exercised on Student Media. The University assumes no liability for the content of student publications and/or broadcast. If a publication or the station becomes subject to a lawsuit, the University will not provide legal assistance for student staff members.

The Media Board has the authority to decide on all matters of non-editorial policy not provided for in other University Policy. The University maintains a clearly written statement of its responsibilities to the student media.

Service and Emotional Support/Assistance Animal Policy Confidential Student Records

Purpose

Northwestern State University is committed to reasonably accommodate persons with disabilities who require the assistance of service or emotional support/assistance animals. The University is also mindful of the health and safety concerns of the campus community. Thus, Northwestern State University must balance the need of the individual with the disability with the potential impact of animals on other campus patrons. The successful implementation of the policy requires the cooperation of all students, faculty and staff.

Definitions

Service Animal

Any dog *individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability and meets the definition of “service animal” under the Americans with Disabilities Act (“ADA”). The work or tasks performed must be directly related to the individual’s disability.

Examples include, but are not limited to: assisting individuals who are blind or have low vision with navigation and other tasks, alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing non-violent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to the presence of allergens, retrieving items such as medicine or the telephone, providing physical support and assistance with balance and stability to individuals with mobility disabilities and helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors. The provision of emotional support, well-being, comfort or companionship do not constitute work or tasks for the purposes of this definition.

Emotional Support/Assistance Animal

An emotional support/assistance animal is one that is necessary to afford the person with a disability an equal opportunity to use and enjoy University housing. An emotional support/assistance animal may provide physical assistance, calming, stability and other kinds of assistance. Assistance Animals do not perform work or tasks that would qualify them as “service animals” under the Americans with Disability Act.

Policy

1. Service Animals

Northwestern State University faculty & staff will not ask about the nature or extent of a person's disability, but may make two inquiries to determine whether an animal qualifies as a service animal. Faculty and staff may ask:

- If the animal is required because of a disability and:
- What work or task the animal has been trained to perform.

NSU cannot require documentation, such as proof that the animal has been certified, trained, or licensed as a service animal. Generally, NSU may not make any inquiries about a service animal when it is readily apparent that an animal is trained to do work or perform tasks for an individual with a disability (e.g. the dog is observed guiding an individual who is blind or has low vision, pulling a person's wheelchair or providing assistance with stability or balance to an individual with an observable mobility disability).

Students utilizing service dogs on campus must register with the Office of Disability Support. Students with service dogs who plan to live in the Campus Living Villages housing will be asked to register with Campus Living Villages for housing approval. Specific questions related to the use of service animals on the NSU campus by visitors can be directed to the Office of Accessibility and Disability Support at (318) 357-4460.

Only Service Animals will be allowed in any NSU building or structure and public events.

2. Service Animals in Training

Individuals who desire an accommodation for a service animal in training must demonstrate that there is a proper training plan designed to work for the benefit of an individual with a disability. They must also abide by all relevant provisions of this policy. An animal being trained to be a service animal has all the same rights as a fully trained animal when accompanied by a trainer and identified as such.

3. Emotional Support/Assistance Animals*

Emotional support/assistance animals that are not considered service animals under the ADA may still be permitted, in certain circumstances, in the Campus Living Villages housing pursuant to the Fair Housing Act. An individual may keep an emotional support/assistance animal as an accommodation in housing if:

- The individual has a documented disability from appropriate provider.
- The animal is deemed necessary to afford the individual an equal opportunity to use and enjoy a dwelling; and

UNIVERSITY POLICIES AND PROCEDURES

- There is an identifiable relationship between the disability and the assistance the animal provides.

**Emotional support/assistance animals are NOT allowed in any university building/facility other than the student's residence.

4. On-campus housing requirements

A student requesting an emotional support/assistance animal that is living or planning to live in on-campus housing (Campus Living Villages) must register with Campus Living Villages and complete the necessary paperwork.

Campus Living Villages may decline to approve a request for an emotional support/assistance animal, if an accommodation is unreasonable. An accommodation is unreasonable if it presents an undue financial or administrative burden on the University or poses a substantial and direct threat to personal or public safety or to the property of others, or constitutes a fundamental alteration of the nature of the service or program.

All roommates and/or suitemates of the owner must sign an agreement acknowledging that the emotional support/assistance animal may be moved to another location, as determined by the Campus Living Villages staff and asked to find a roommate/suitemate willing to sign the agreement.

If an emotional support/assistance animal owner is found to be in violation of the emotional support/assistance animal policy, then the animal and/or the owner may be removed from the Campus Living Villages.

Service & Emotional Support/Assistance Animal Owner Responsibilities

The Owner of the Service or Emotional Support Animal is expected to accept the following responsibilities*:

- It is the owner's responsibility to keep a dog or cat on flea and tick control. The owner will be responsible for the cost of eliminating any pest infestation as a result of the animal. The student is responsible for the cost of extermination.

UNIVERSITY POLICIES AND PROCEDURES

*Failure to comply with any of the above policies may result in consequences by the Dean of Students/Student Conduct and/or the removal of the animal and the owner of the animal. In addition, the owner could possibly incur fines of \$50.

Other Non-Service and Non-Emotional Support Animals

Guests and University community members are allowed to walk their dogs on campus. However, the animal must be under the care and control of the owner at all times. Animal must be leashed. Owners are expected to dispose of animal waste. No waste is to be disposed of in any trash receptacle inside any building, or through any sewer system (sinks and toilets) inside campus buildings; outside dumpsters should be used. No animal, with the exception of service animals approved by the Office of Accessibility and Disability Support, will be allowed at public venues, events (except pet invited events) or inside buildings. The animal must be leash trained and may not cause a disturbance to others. The owner of the animal, not Northwestern State University, is held responsible for damages to persons or property damages caused by animals. Northwestern State University reserves the right to deny access to campus to animals and owners who violate this policy.

Conflicting Disabilities

Students with medical condition(s) that are affected by animals (respiratory diseases, asthma and severe allergies) should contact the Office of Accessibility and Disability Support if they have a health or safety related concern about exposure to a service or emotional support/assistance animal. The individual will be asked to provide medical documentation that identifies the conditions and will allow determination to be made as to whether the condition is disabling and whether there is a need for accommodation.

The Office of Accessibility and Disability Support, Dean of Students, Campus Living Villages and NSU Police will work to resolve any conflict in a timely manner, considering the conflicting needs and/or accommodations of all persons involved.

Policy on Research with Human Subjects

Research is a mission of the University, and the involvement of the NSU community, including students, in research programs and activities is important to advance knowledge and serve human needs. During your time as a student at NSU, you will have various opportunities to participate in assessment, measurement, and testing programs like focus groups, surveys, tests, and interviews. Some of these will be optional and voluntary while others will be mandatory. The University encourages cooperation and participation in such programs and activities. Many times, research activities allow for opinions to be expressed, services to be improved, funds to be reallocated for new programs, and other positive institutional changes.

When human beings participate as subjects in research projects, safeguards must be established to protect their health, well-being, and rights. Under the policies established by the United States Department of Health and Human Services (HHS), this protection is extended to all human subjects regardless of the nature of the research being performed. In response to these federal requirements, Northwestern State University established the Human Subjects Institutional Review Board (IRB) to review all research proposals in which human beings (including NSU students) participate. The purpose of such a review is to ensure that each person who is involved in a university-sanctioned research study is protected adequately from harm. Possible harms include physical, psychological, legal, employment, educational, and the privacy and confidentiality of the data collected from each participant.

It is the responsibility of the NSU faculty or staff member overseeing the human subjects research study to assure compliance with this policy for research conducted by either a student advisee or the faculty/staff member.

NOTE: The IRB, the university administration, and the NSU research community are committed to limiting harm to human beings as much as is reasonable and practical; however, it is not possible to eliminate completely all potential risks of a research study.

For more information on the purposes and methods of a particular study, consult with the NSU faculty or staff member overseeing the research. For more information on policies and procedures related to the protection of human beings in research studies, see the NSU IRB website at <https://www.nsula.edu/irb/> or contact the NSU IRB Office (Email: irb@nsula.edu. Phone: 318-357-5228).

Cyberbullying

Cyberbullying involves the use of information technology (email, websites, social networking, internet messaging, or any other technology) for hostile behavior to harm or to upset others. A person cannot easily get away from cyberbullying since using email and the internet are everyday practices. Northwestern State prohibits all forms of cyberbullying. Please refer to the Student Code of Conduct within the handbook.

For more information on bullying, visit the following sites:

Student Complaints and Grievances

Northwestern State University recognizes a student's need to express grievances during the college experience. The Dean of Students and Student Accountability and Advocacy offices function to assist students in lodging and resolving such complaints. Students may contact the Dean of Students or the Office of Accountability and Student Conduct to file a written complaint and/or for assistance in filing complaints.

Northwestern State University students who wish to lodge a written complaint about an employee of the institution (faculty or staff), another student, policies and procedures, harassment, bullying, sexual harassment, equal access or other complaints, should contact the Dean of Students at deanofstudents@nsula.edu.

Ordinarily, complaints against students or student organizations follow Article V or Article VII (Title IX) of the Student Code of Conduct and complaints against employees of the university or its agents follow the Student Grievance Procedure

UNIVERSITY POLICIES AND PROCEDURES

found in Appendix I or II (Title IX) in the Student Code of Conduct. Students should seek clarification from the Office of Accountability and Student Conduct or Dean of Students when filing a complaint.

Student Complaints may be categorized as follows:

1. Complaints about an employee (faculty or staff) of the institution (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).
2. Complaints about another student or organization (See Article V of the Student Code of Conduct).
3. Complaints against a department (it's policies or procedures) (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).
4. Complaints of sexual harassment against an employee or another student and all student related Title IX complaints (Sexual Misconduct Policy, Article VII, and Appendix II in the Code of Conduct).
5. Complaints of harassment or bullying by a student or student organization (See the Student Grievance Procedure, Article V in the Student Code of Conduct); complaints of bullying or harassment by faculty or staff (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).
6. Complaints about equal opportunity access (See the Student Grievance Procedure, Appendix I in the Student Code of Conduct).
7. Other complaints not included above (Contact the Office of Accountability and Student Conduct or the Dean of Students).

The Dean of Students and the Office of Accountability and Student Conduct realize that in certain situations, it is inappropriate for students to meet with the person against whom they wish to lodge a complaint. In such cases, a designee from the dean's offices may act as a liaison or assist the student in meeting with the person or that person's supervisor. Complaints may be formal (written grievances) or informal. Whatever the circumstances, the Dean of Students or the Office of Accountability and Student Conduct will assist students in the process of filing complaints. Northwestern State strives to maintain the confidentiality of the parties involved in the grievance process.

Student Appeals

Student Appeals are not considered complaints. However, Northwestern seeks to allow students to appeal University policy and decisions when the student believes they have experienced unusual circumstances which may be out of their control or when the student believes the University failed to follow policy. Students may seek assistance at any time from the Student Accountability and Advocacy offices or the Dean of Students.

UNIVERSITY POLICIES AND PROCEDURES

Student Appeals are categorized as follows:

1. Admission Appeal (to determine if there is an exception, see <https://www.nsula.edu/admissions/>)
2. Academic Suspension Appeal (to allow an appeal of academic suspension, see program department head <https://www.nsula.edu/academics/>)
3. Admission Access Appeal (to allow registration with balance, see <https://www.nsula.edu/onecard/>)
4. Grade Appeal/Registration, Credits and Graduation (to change grades, issue credit, see <https://www.nsula.edu/registrar/>)
5. Financial Aid and Scholarship Appeal (to maintain financial aid awards, see <https://www.nsula.edu/financialaid/>)
6. Residency Appeal (to waive out of state tuition, see <https://www.nsula.edu/registrar/>)
7. Auxiliary Services Appeal (to waive on campus living and food service requirements, see <https://www.nsula.edu/auxiliary/>)
8. Parking and Traffic Appeal (to waive tickets or fees, see <https://www.nsula.edu/campus-parking-and-driving-regulations/>)
9. Disciplinary Appeal (to overturn sanction in conduct hearing, see <https://www.nsula.edu/studenthandbook/>)
10. Retroactive Withdrawal/Resignation or Cancellation Appeal (to allow various post semester withdrawals with documented extenuating circumstances, see <https://www.nsula.edu/registrar/>)

All student appeals are reviewed by committees at the last level of the appeal. However, in some cases, appeal may originate and be resolved with individual employees.

Power Based Violence Sexual Misconduct Policy/Title IX

I. Introduction

This Uniform Policy (Policy) serves as Northwestern State University's overarching policy against power-based violence in all its forms. It outlines procedures mandated by state law and identifies best practices that address both Title IX Conduct and power-based violence which includes sexual misconduct.

This Policy is intended to inform and guide individuals who have been affected by power-based violence, whether as a Complainant, a Respondent, or a witness, and to provide fair and equitable procedures for all parties. It is applicable with respect to conduct that occurs both on and off campus.

Power-based violence, which is addressed in this overarching Policy, is a broader term that covers gender/sex-based misconduct beyond the Title IX Regulations' "sexual harassment" definition. Power-based violence prohibited by this Policy includes conduct defined in Act 472.

The accompanying Title IX Formal Grievance Procedure covers a narrower subset of conduct (i.e., Title IX Conduct) that must be addressed under a defined formal grievance process as required by the U.S. Department of Education under new Title IX Regulations, effective August 14, 2020. When power-based violence meets the criteria specified in the Title IX Regulations, it must be addressed under the Title IX Formal Grievance Procedure, and not this overarching Power-Based Violence Policy, to the extent the processes differ between the two policies. (See 34 C.F.R. §106.44-.45.)

"Sexual harassment" is defined in the Title IX Regulations (§106.30) as conduct on the basis of sex that satisfies one or more of the following:

1. Quid Pro Quo-An Institution's faculty or staff member/employee conditioning the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to education programs or activities; or
3. Sexual assault, dating violence, domestic violence, or stalking (See defined terms in Appendix A).

The Title IX Grievance Procedure applies to an Institution's education program activity, which is defined by the Title IX Regulations to include locations, events, or circumstances in which an Institution exercises substantial control over both

UNIVERSITY POLICIES AND PROCEDURES

the Respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by the Institution. Under the Title IX Regulations, the Title IX Grievance Procedure does not apply to any education program or activity that does not occur in the United States (§106.44(a)).

However, power-based violence that is not covered by the Title IX Grievance Procedure, such as off-campus power-based violence alleged to have an on-campus effect or occurring during a study abroad program, may be addressed under this broader Policy.

Combined, BOR's and Louisiana's public postsecondary education systems and their Institutions' policies and procedures are intended to ensure that all students impacted by an incident or Formal Complaint of power-based violence receive appropriate support and fair treatment, and that allegations of power-based violence are handled in a prompt, thorough and equitable manner.

II. Policy Statement

Northwestern State University (NSU) has Adopted the Louisiana Board of Regent's (BOR) Uniform Policy on Power Based Violence. <https://pbv.laregents.edu/> Updates and amendments will be performed as required by the BOR.

This policy applies in accordance with federal and state law, including Act 472 of the 2021 Legislative Session of the Louisiana Legislature (Act 472), Title IX of the Education Amendments of 1972 (Title IX) and Title VII of the Civil Rights Act of 1964 (Title VII), the Violence Against Women Act (VAWA), The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), and other applicable laws.

The comprehensive scope of this Policy includes procedures to address both power-based violence (which includes sexual misconduct) and Title IX conduct (see Title IX Formal Grievance Procedures). Northwestern State University shall implement policies, procedures, practices, and educational programs to prevent, respond to, and redress incidents involving acts of power-based violence including sexual misconduct and Title IX conduct. This Policy is designed to help NSU to create and maintain safe learning, working, and living environments for all individuals who participate in the institutions' activities and programs, including online instruction. It reflects BOR and NSU's strong commitment to promoting an environment that is free from power-based violence which includes sexual misconduct and Title IX conduct.

NSU will follow the lead of the BOR in reviewing, evaluating, and making any

UNIVERSITY POLICIES AND PROCEDURES

revisions or amendments to applicable power- based violence policies on an ongoing and as-needed basis.

Inquiries about the application of this policy should be directed the Northwestern State University Title IX Coordinator:

<https://www.nsula.edu/studentexperience/notalone/>

This Policy is not intended to infringe upon or restrict rights guaranteed by the United States Constitution, including the right to free speech under the First Amendment or the due process clauses of the Fifth and Fourteenth Amendments.

III. Notice of Non-Discrimination

Title IX is a federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity. Title IX prohibits use of federal money to support sex discrimination in education programs and provides individuals protection against such practices.

In compliance with federal law and USDOE federal guidance, including the provisions of Title VII of the Civil Rights Act of 1964 (Title VII), Title IX of the Education Amendments of 1972 (Title IX), Sections 503 and 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990, the ADA Amendments Act of 2008, the Age Discrimination in Employment Act of 1967 (ADEA), Executive Order 11246, Executive Order 13988, the Vietnam Era Veterans Readjustment Assistance Act of 1974 as amended by the Jobs for Veterans Act, the Uniformed Services Employment and Reemployment Rights Act, as amended, and the Genetic Information Nondiscrimination Act of 2008, an Institution shall not discriminate against individuals on the basis of their race, sex, sexual orientation, gender identity, gender expression, religion, color, national or ethnic origin, age, disability, military service, covered veteran's status, or genetic information in its administration of education policies, programs, or activities; admissions policies; scholarship and loan programs; athletic or other Institution-administered programs; or employment.

As part of NSU's commitment to maintaining a community free of discrimination, and in compliance with Title IX's mandate, the University will address

allegations of power-based violence, including sexual harassment and sexual assault, in a timely and effective manner. Further, Institutions will provide resources as needed for affected persons (Reporters, Complainants, Respondents and third parties within an Institution's community), and will not tolerate retaliation against any person who reports or participates in the investigation of alleged power-based violence or sex/gender discrimination.

IV. Scope

This Uniform Policy (Policy) serves as BOR's overarching policy against power-based violence in all of its forms. It outlines procedures mandated by state law and identifies best practices that address both Title IX Conduct and power-based violence which includes sexual misconduct. This Policy is intended to inform and guide the development of institutional policy to address individuals who have been affected by power-based violence, whether as a Complainant, a Respondent, or a witness, and to provide fair and equitable procedures for all parties. It is applicable to all Institutions with respect to conduct that occurs both on and off campus. Power-based violence, which is addressed in this overarching Policy, is a broader term that covers gender/sex-based misconduct beyond the Title IX Regulations' "sexual harassment" definition. Power-based violence prohibited by this Policy includes conduct defined in Act 472 (See defined terms in Appendix A).

A. Overview of Complaint Definition(s)

A "Complainant" refers to an individual who is alleged to have been subjected to an incident of power-based violence (i.e., a First-Party Reporter or a victim or person who has otherwise been affected by power-based violence or, under the Title IX Formal Grievance Procedure governing sexual harassment, an individual who is alleged to be the victim of conduct that could constitute sexual harassment). A Complainant has certain rights under this Policy, as discussed below.

A "Respondent" refers to an individual who has been accused of conduct that could constitute power-based violence prohibited under this Policy (or, under the Title IX Formal Grievance Procedure governing sexual harassment, an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment). A student Respondent has certain rights under this Policy, as discussed below, and under the Title IX Formal Grievance Procedure when that Procedure is applicable.

A "Third Party" refers to any other participant in the process, including a witness to the incident or an individual who makes a Report on behalf of someone else.

UNIVERSITY POLICIES AND PROCEDURES

As used throughout this Policy, references to the “Title IX Coordinator” shall include any Deputy Title IX Coordinator and any other person expressly designated by the Title IX Coordinator to act on their behalf.

V. Safety Education

A healthy and prevention-minded campus culture allows students to learn to the best of their abilities on a safe and nurturing campus. Robust education and training programs for both students and employees are the cornerstone of these efforts and essential to building a culture in which sexual misconduct is rare and both Complainants and Respondents are well supported. Prevention depends on clear and well-communicated guidelines, underpinned by regular education on understanding of sexual misconduct and power-based violence, positive versus harassing behaviors, tools for reporting harassment and adjudicating disputes, and sanctions for violations.

Based on management board policy, the administration of each Institution, in consultation with campus or local law enforcement agencies, shall develop and distribute information to students regarding power-based violence, campus safety, and internet and cell phone safety and online content that is a potential threat to school safety.

The information shall include the following:

1. Instruction on how to identify and prevent power-based violence and how to detect potential threats to school safety exhibited online, including on any social media platform;
2. How to report incidents of power-based violence, crimes on campus, violations of the student code of conduct, and possible threats to campus safety; and
3. Where to find reports regarding campus safety.

The information shall be distributed as part of the new student orientation and shall be posted on an easily accessible page of each Institution's website.

The reporting process for possible threats to the campus shall, at a minimum, include:

1. A standardized form to be used by students, faculty, and other personnel to report potential threats. The form shall request, at a minimum, the following information:
 - a. Name of Institution, person, or group being threatened;
 - b. Name of student, individual, or group threatening violence;
 - c. Date and time the threat was made; and
 - d. Method by which the threat was made, including the social media

UNIVERSITY POLICIES AND PROCEDURES

- outlet or website where the threat was posted, a screenshot or recording of the threat, if available, and any printed evidence of the threat.
2. A process for allowing anonymous reporting and for safeguarding the identity of a person who reports an incident of power-based violence or a safety threat.

For every report of an incident of power-based violence or a safety threat received the actions taken by the Institution and the campus law enforcement agency or security officers will be documented. When there is a perceived imminent threat or safety concern, to the extent possible, campus law enforcement may be contacted.

VI. Retaliation Prohibition

Retaliation is expressly prohibited under this Policy. Retaliation includes, but is not limited to, intimidation, harassment, threats, or other adverse action or speech against the person who reported the misconduct, the parties, and their witnesses.

The BOR, system management boards, and Northwestern State University expressly prohibit retaliation against anyone who:

- 1) in good faith reports what they believe is power-based violence,
- 2) cooperates with an investigation or proceeding under this Policy, or
- 3) opposes conduct that they believe to violate this Policy.

However, an individual who reports an incident of power-based violence or participates in an investigation or proceeding and has perpetrated or assisted in the perpetration of committing the power-based violence reported, is still subjected to an investigation for a potential violation of this policy and may be subject to disciplinary action.

NSU will not only take steps to prevent retaliation but will also take strong corrective action if it occurs. Anyone who believes they have been retaliated against should immediately report it to the Title IX Coordinator, who will treat it as a Report. Any individual found to have retaliated against another individual will be in violation of this Policy and will be subject to disciplinary action. Employees who are mandatory reporters (i.e., Responsible Employees) under this Policy are required to report retaliation.

Anyone who knowingly makes a false accusation of unlawful discrimination, harassment, or retaliation of any form will be subject to an investigation for a potential violation of this Policy and may be subject to disciplinary action, up to and potentially including termination for employees and expulsion for students.

VII. Reporting Power-Based Violence

NSU's policy provides that anyone can report an incident of power-based violence (to include Sexual Misconduct and Title IX Conduct).

A Report can be made by any individual who has:

1. Experienced or been affected by power-based violence (i.e., First-Party Reporter); or
2. Knowledge of or witnessed power-based violence happening to or affecting someone else (i.e., Third-Party Reporter).

NSU strongly encourages all individuals to report incidents of power-based violence even if the individual does not intend to pursue a Formal Complaint. In addition, the University will take prompt action to provide Supportive Measures for the safety and well-being of any affected person as well as the campus community.

A. REPORTING INCIDENTS OF POWER-BASED VIOLENCE

NSU has made available, on the Title IX webpage, contact information for the Title IX Coordinator and Deputy Coordinator(s), as well as methods for reporting power-based violence. The preferred manner of reporting is via the Reporting Link, located at <https://www.nsula.edu/studentexperience/notalone/> (in the upper right corner). To speak to the Title IX Coordinator please call 318-357-5570, email obannonj@nsula.edu or come by Room 306 of the Student Union.

The alleged victim shall have a right to obtain a copy of any Report made that pertains to the alleged victim.

After making a Report, an individual may choose to file a Formal Complaint to pursue resolution (under this policy or the Title IX Formal Grievance Procedure, as applicable) or if applicable, an Informal Resolution involving the Respondent may be chosen. The Respondent may choose to be involved or not be involved in an Institution's investigation and any related proceedings; or may choose to end involvement in the process.

- i. ONLINE REPORTING** NSU provides an online reporting system to collect anonymous disclosures of incidents of power-based violence and crimes, and track patterns of power-based violence and crimes on campus. The online system also includes information regarding how to report an incident of power-based violence or crime to a Responsible Employee and law enforcement.

B. MANDATORY REPORTING FOR EMPLOYEES

An employee who receives a direct statement regarding or witnesses an incident of power-based violence committed by or against a student is a Responsible Employee (unless they are designated specifically as a Confidential Advisor). A Responsible Employee shall promptly report the incident to the Institution's Title IX Coordinator.

A Responsible Employee must report the following to the Title IX Coordinator:

1. The identity of the alleged victim;
2. The identity of the alleged perpetrator;
3. The type of power-based violence or retaliation alleged to have been committed;
4. Any other information about witnesses, location, date, and time that the incident occurred; and
5. Any other relevant information.

However, according to state law a Responsible Employee is not required to make a report if information involving power-based violence was received in the following circumstances:

1. During a public forum or awareness event in which an individual discloses an incident of power-based violence as part of educating others;
2. Disclosure made in the course of academic work consistent with the assignment; or
3. Disclosure made indirectly, such as in the course of overhearing a conversation.

If an individual chooses to make an initial report to an employee other than the Title IX Coordinator, that employee must refer the information to the Title IX Coordinator because the Title IX Office bears responsibility for responding to reports of power-based violence. Once the information is received by the Title IX Coordinator, it constitutes a Report.

NSU recommends as a best practice that, if an employee believes an individual may intend to share any information regarding an instance of power-based violence with them, the employee should seek to confirm that the reporting party understands the employee's obligations as a mandatory reporter. If the reporting party would prefer to speak with a confidential resource, the employee should direct the reporting party to a confidential resource. NSU must provide a list of confidential resources in their policies. This information is accessible at the following website: <https://www.nsula.edu/studentexperience/notalone/>.

C. CONFIDENTIAL AND ANONYMOUS REPORTING

In accordance with state law, unless waived in writing by the alleged victim, the identity of an alleged victim of an incident reported under R.S. 17:3399.13 is confidential and not subject to disclosure except to:

1. A person employed by or under contract with the Institution to which the report is made, if the disclosure is necessary to conduct the investigation of the report or any related hearings;
2. A law enforcement officer as necessary to conduct a criminal investigation of the report;
3. A person alleged to have perpetrated the incident, to the extent required by law; or
4. A potential witness to the incident as necessary to conduct an investigation of the report.

Note: Consistent with FERPA's prohibition on re-disclosure of confidential information, any person who receives another person's confidential information solely as a result of participation in any investigation or proceeding under this Policy is prohibited from using or disclosing such confidential information outside of such forums without express consent or for any improper purpose. This provision only applies to other people's confidential information, as a party is never restricted from discussing their own experience. This provision does not apply to any information learned outside of an investigation or proceeding under this Policy.

An alleged victim shall be advised of the right to seek a Confidential Advisor. See additional information pertaining to Confidential Advisors.

D. ADMINISTRATIVE REPORTING

In accordance with state law, an Institution's Title IX Coordinator, Chancellor, System President, and System Management Board are required to submit summarized reports on power-based violence incidents and to publish those reports on their respective websites.

- a. Title IX Coordinator: Not later than October Tenth (10) and April Tenth (10) of each year, the Title IX Coordinator of an Institution shall submit to the Chancellor of the Institution a written report on the reports received in accordance with information required by the BOR.

The Title IX Coordinator of an Institution shall immediately report to the Chancellor of the Institution of an incident reported to the coordinator if the coordinator has cause to believe because of the incident that the safety of any person is in imminent danger.

- b. Chancellor: The Chancellor of each Institution shall submit a report to the Institution's Management Board and System President within

UNIVERSITY POLICIES AND PROCEDURES

fourteen (14) days of receiving the report from the Title IX Coordinator in accordance with the information required by the BOR. The report shall be posted on the Institution's website.

- c. System President: The System President shall submit a system-wide summary report within fourteen (14) days of receiving the reports from the Chancellors to the System Management Board in accordance with the information required by the BOR. The report shall be published on the website of the system.
- d. System Management Board: The System Management Board shall send an annual system-wide summary report to BOR by December Thirty-First (31) in accordance with the information required by the BOR. BOR shall post the report on its website. In addition, each management board shall send an annual training report to BOR by January Thirtieth (30). The report shall include the number of employees and confidential advisors for each institution, and the number and percentage of those who have completed the required annual training. The training report shall be published on the website of each system.
- e. Board of Regents: BOR shall annually submit a report to the Governor, the president of the Senate, the speaker of the House of Representatives, and the Senate and House Education Committees by February Twenty-Eighth (28) which shall include the statewide information. The report shall also include any recommendations for legislation. The report shall be published on BOR's website.

E. EMPLOYEE'S FAILURE TO REPORT OR FALSE REPORTING

A Responsible Employee who is determined by the Institution's disciplinary procedures to have knowingly failed to make a Report or, with the intent to harm or deceive, made a Report that is knowingly false shall be terminated.

F. STUDENT'S FALSE REPORTING

As a Best Practice BOR recommends; Any student who knowingly and in bad faith makes a false accusation of power-based violence or retaliation of any form will be subject to an investigation for a potential violation of this Policy and may be subject to disciplinary action.

G. IMMUNITIES AND AMNESTY

An individual acting in good faith who reports or assists in the investigation of a report of an incident of power-based violence, or who testifies or otherwise participates in a disciplinary process or judicial proceeding arising from a report of such an incident may not be subjected to any

disciplinary action by the Institution in which the individual is enrolled or employed for any violation of the Institution's code of conduct reasonably related to the incident for which suspension or expulsion from the institution is not a possible punishment.

Immunity shall not apply to an individual who perpetrates or assists in the perpetration of power-based violence.

NSU shall provide an amnesty policy for any student who reports, in good faith, power-based violence to the University. Such a student shall not be sanctioned by the Institution for a nonviolent student conduct violation, such as underage drinking, that is revealed in the course of making such a report.

VIII. INTERCAMPUS TRANSFER POLICY TRANSCRIPT WITHHOLDING, NOTATION & COMMUNICATION

In accordance with state law, public postsecondary Institutions shall implement uniform transcript notation and communication policies to effectuate communication regarding the transfer of a student who is the subject of a Power-Based Violence (PBV) or Title IX (TIX) Formal Complaint or who has been found responsible for an incident of PBV or TIX pursuant to an Institution's investigative and adjudication process. The following Section(s), which include procedures relative to the withholding or notation of transcripts during the investigative and adjudication processes, were developed by BOR in consultation with the System Management Boards.

At a minimum, for any student who is the subject of a PBV or TIX Formal Complaint and who attempts to transfer to another institution, the Institution from which the student seeks to transfer ("Sending Institution") shall either;

- (1) withhold the transcript of the student or
- (2) place a notation on the student's transcript.

If the Sending Institution does not know whether the student seeks to transfer to another Institution, the student's transcript shall either be withheld or notated.

The Sending Institution shall notify the student that their transcript has been withheld or notated, and of the appeals process to have the hold or notation removed. Either the transcript is withheld, or the notation remains on the transferring student's transcript until the University makes a determination that the transferring student is not responsible for PBV or TIX offences or the transferring student prevails in a request to appeal the withholding of a transcript or notation, whichever occurs first.

A. WITHHOLDING STUDENT TRANSCRIPTS

If the Sending Institution chooses to withhold upon the filing of a Formal Complaint, NSU shall place an administrative hold on the transcript of a student who is the Respondent of the Formal Complaint. For any student who is the subject of a Power-Based Violence Formal Complaint that also constitutes sexual harassment under Title IX, the University should commence an investigation and place a notation on the student's transcript, rather than withholding the transcript.

When a student transcript is withheld, the institution to which the student seeks to transfer ("Receiving Institution") must make a timely inquiry directed to the Sending Institution regarding the purpose of the transcript hold. Upon such an inquiry, the Sending Institution must timely disclose appropriate and factual information, consistent with the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g.

B. NOTATION

If the Sending Institution chooses to notate upon the filing of a Formal Complaint, the Institution may place a notation on the transcript of a student attempting to transfer to another institution. For any student who is the subject of a power-based violence Formal Complaint that also constitutes sexual harassment under Title IX, the Sending Institution should commence an investigation and place a notation on the student's transcript, rather than withholding the transcript.

For a transferring student who is the subject of a pending investigation, the notation on the transcript shall read: "ADMINISTRATIVE MATTER PENDING" or other notation sufficient to place the Receiving Institution on notice and trigger an inquiry regarding the notation directed to the Sending Institution. For a transferring student for whom a final decision has been rendered, and the student has been found to be responsible for power-based violence, the notation on the transcript shall read: "STUDENT FOUND RESPONSIBLE IN VIOLATION OF CODE OF CONDUCT" or other notation sufficient to place the Receiving Institution on notice and trigger an inquiry regarding the notation directed to the Sending Institution.

When a student transcript is notated as described above, the Receiving Institution must make a timely inquiry directed to the Sending Institution regarding the purpose of the transcript notation. Upon such an inquiry, the Sending Institution must timely disclose appropriate and factual information, consistent with the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g.

If a student is not found responsible, the Sending Institution must remove the notation and must send an updated version of the student's transcript to the Receiving Institution (if known).

C. TRANSCRIPT WITHHOLDING AND NOTATION APPEALS

A student whose transcript has been withheld or notated as described above may request a release of the hold or an expungement of the notation for good cause shown. Cause may include, but is not limited to when;

- (1) a student who transferred while under investigation was found not responsible or
- (2) a student was initially found responsible and later evidence showed that the student was in fact not responsible. In the second instance, an Institution must send an updated version of the student's transcript.

Such request shall be submitted in writing to the appropriate University Official through the Title IX Office. The Institution shall notify the requesting student of its decision no later than seven (7) business days from the date that the appeal request is made.

D. APPLICABILITY

State law requires that all Louisiana public postsecondary institutions implement this Transcript, Withholding, Notation, and Communication policy; all Louisiana non-public postsecondary institutions are encouraged to implement this policy. Nothing in this Policy shall prohibit or prevent a Sending Institution from withholding or notating the transcript of a student who is the subject of a power-based violence Formal Complaint, or who has been found responsible for power-based violence, when such student seeks to transfer to a non-public postsecondary or out-of-state institution. The BOR recognizes an obligation to ensure investigation and adjudication of all complaints of power-based violence, regardless of the type or location of the postsecondary institution where they occur. Accordingly, the BOR strongly encourages all institutions to adopt practices that fully meet this obligation.

IX. VICTIM'S RIGHTS POLICY

Northwestern State University will do the following, but not limited to:

- Take immediate action in the investigations of alleged incidents
- Treat the victim/complainant with dignity and respect
- Provide timely, written notice of the allegations, proceedings, processes, and outcomes under this policy
- Provide Supportive Measures which include, but are not limited to, counseling services, moving residence halls, changing the students' schedule,

UNIVERSITY POLICIES AND PROCEDURES

changing transportation options (if applicable), issue mutual no contact directives, and any other reasonable accommodations.

- Inform the victim/complainant in writing of the outcome or resolution of the complaint, any sanctions, and the rationale for the outcome, any appeal, or any other decision considered final.

X. IDENTIFIED BEST PRACTICES BY THE BOR

In addition to compliance with federal and state laws and regulations, BOR has prescribed and identified a set of best practices, in accordance with Act 472, which Institutions should implement to address the resolving of power-based violence.

Once the Title IX Coordinator learns of any Report of alleged power-based violence or sex/gender discrimination, they should implement Supportive Measures as needed and initiate an investigation into the alleged incident.

The form of the investigation may vary depending on whether the alleged conduct falls within the scope of power-based violence/sexual misconduct or Title IX Conduct. If the alleged power-based violence satisfies the USDOE's definition of Title IX sexual harassment (i.e., Title IX Conduct), the Title IX Coordinator should ensure investigation and adjudication of the allegation pursuant to the Title IX Formal Grievance Procedure. However, if the alleged conduct does not satisfy the USDOE's definition of Title IX Sexual Harassment, the Title IX Coordinator will refer to the part of this Policy that addresses BOR's best practices, outlined in the Sections below.

Following an investigation, the Title IX Coordinator has authority to resolve a Report, including the implementation of any Supportive Measures, and should close the case if the Report does not constitute or become a Formal Complaint.

A. INITIAL STEPS & DETERMINATION OF APPROPRIATE PROCEDURES

After an Institution's Title IX Office has received a Report of alleged power-based violence, the Title IX Office should perform an initial assessment consistent with the information below prior to moving forward with an investigation (if one is required/requested) to determine whether the reported conduct meets the USDOE's jurisdictional and definitional requirements to be categorized as Title IX conduct. If that initial assessment reveals that the alleged conduct does meet the definition of sexual harassment as contained within the USDOE's Title IX Regulations, the investigation should proceed pursuant to the Title IX Formal Grievance Procedure. If the alleged conduct does not meet the USDOE's definition of sexual harassment, the investigation should proceed pursuant to this Policy.

B. INITIAL CONTACT WITH POTENTIAL COMPLAINANT

After receiving a Report of power-based violence, an Institution's Title IX Office should notify the individual who is the alleged victim in the Report of the option to have an Advisor accompany them to any meeting or interview related to the power-based violence process.

In initial contact with a potential Complainant, the Title IX Office should also:

1. Give the potential Complainant a copy of the relevant policies;
2. Explain the process for filing a Formal Complaint with the Title IX Office;
3. Provide the potential Complainant with information regarding the rights/responsibilities as a party in this matter;
4. Explain the process for investigating and resolving a power-based violence or Title IX Formal Complaint (including the available appeal procedures);
5. Explain the procedural differences based on Title IX vs power-based violence conduct;
6. Instruct the potential Complainant not to destroy any potentially relevant documentation in any format;
7. Inform the individual of the availability of Supportive Measures with or without the filing of a Formal Complaint;
8. Discuss the potential Complainant's expressed preference for manner of resolution and any barriers to proceeding (e.g., confidentiality concerns);
9. Explain the prohibition against retaliation; and
10. Communicate necessary details of the report to the campus police department for entry into the Institution's daily crime log.

C. SUPPORT MEASURES

If the Title IX Coordinator receives notice of alleged power-based violence, whether through online reporting or other reporting methods, the Title IX Coordinator or designee should contact the Complainant to discuss the availability of Supportive Measures with or without the filing of a Complaint (or Formal Complaint under the Title IX Grievance Procedure) and consider the Complainant's wishes with respect to Supportive Measures. Supportive Measures should also be made available to the Respondent.

Supportive Measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent regardless of whether a Complaint (or Formal Complaint) has been filed. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort ser-

UNIVERSITY POLICIES AND PROCEDURES

vices, mutual no contact orders between the parties, changes in work or housing locations, leaves of absence, and increased security and monitoring of certain areas of the campus, and other similar measures.

Supportive Measures are designed to restore or preserve access to the University's education program or activity, including measures designed to protect the safety of all parties and the University's educational environment.

XI. FILING A FORMAL COMPLAINT

If a potential Complainant wishes to pursue an incident of power-based violence beyond simply reporting it, they may file a Formal Complaint. The filing of a Formal Complaint means that the individual is asking an Institution to take further steps, such as a full investigation and possibly an adjudication to resolve the alleged issue. Any Complainant (i.e., an alleged victim or survivor or someone who has otherwise been directly affected by power-based violence) may file a Formal Complaint, and the Institution will treat it as such.

An individual who is alleged to have been subjected to an incident of power-based violence (i.e., a victim or a person who has been directly affected by power-based violence) and subsequently files a Formal Complaint will be referred to as a Complainant.

Any Third-Party Reporter (i.e., someone who has knowledge of or witnessed power-based violence) may request for an Institution to treat their Report as a Formal Complaint, but that request would not make the Third-Party Reporter into a Complainant.

Similarly, the fact that the Title IX Coordinator converts a Report to a Formal Complaint does not make the Title IX Coordinator a Complainant. However, the Title IX Coordinator reserves the right to initiate a Formal Complaint in order to meet the University's Title IX obligations to provide a safe and nondiscriminatory environment and if the University determines that it must take additional steps to protect the campus community. Depending on the conduct alleged and the location of the incident, a Formal Complaint and subsequent investigation will be governed by either this Policy or the Title IX Formal Grievance Procedure.

A. HOW TO FILE A FORMAL COMPLAINT Individuals seeking to file a Formal Complaint may do so with the Title IX Coordinator. Formal Complaints should include all information the individual believes to be relevant (e.g., time, location, and nature of incident, names of individuals involved, wit-

nesses to the incident, names of other persons affected by the incident, etc.). Individuals seeking to file a Report should be allowed to submit on paper (hard copy), in electronic form, or in person, whereby the individual can file a Formal Complaint by meeting with the Title IX Coordinator (or Deputy Coordinator) to provide a verbal description of the power-based violence which the Title IX Office will use to draft a written document that the individual will review, verify, and sign to constitute a Formal Complaint.

Note: If the Complaint filed satisfies the requirements of a Title IX Formal Complaint as defined by 34 CFR §106.30, the Title IX Office should proceed under the Title IX Formal Grievance Procedure.

B. WITHDRAWAL OF FORMAL COMPLAINT Northwestern State University will allow a Complainant to withdraw their Formal Complaint. If a Formal Complaint is withdrawn, the Title IX Office should assess the information provided and proceed accordingly. Withdrawal of the Formal Complaint should ordinarily end the Formal Complaint and resolution process. However, the Title IX Office should reserve the right to proceed with the Formal Complaint, even after the Complainant withdraws it, in order to protect the interests and safety of the Institution's community. In such cases, the Complainant shall be notified immediately of the Institution's decision to proceed.

XII. POWER-BASED VIOLENCE GRIEVANCE PROCEDURE

This Section describes the investigation and resolution process for cases in which the Respondent is a student and in which the conduct alleged does not fall within the scope of the Title IX Conduct.

Note: NSU also has policies in place that address procedures for cases involving employees.

The University should investigate all Reports of power-based violence reported to the Title IX Coordinator regardless of whether the Report becomes a Formal Complaint. The investigation and adjudication procedures (if needed) will be prompt, fair, and impartial.

A. NOTICE TO RESPONDENT

The person alleged to have committed power-based violence is called the Respondent. The Respondent should be notified in writing via the Notice of Investigation and Allegations (NOIA), that a Formal Complaint alleging power-based violence has been filed against them. The Respon-

dent should be advised that they may have an Advisor accompany them to any meeting or interview related to the investigation and resolution process.

Within seven (7) business days of receiving NOIA, the Respondent should meet with the Title IX Office. The Title IX Office is required to provide the same information that was presented to the Complainant during their initial contact.

After reviewing the Formal Complaint and meeting with the Title IX Office the Respondent may choose to end the resolution process by accepting responsibility for the conduct alleged in the Formal Complaint. If the Respondent accepts responsibility for the conduct alleged in the Formal Complaint, the appropriate University Official(s) should determine the appropriate sanction(s) for the Respondent. If the Respondent disputes the allegations in the Formal Complaint, the matter will proceed to an investigation.

B. INVESTIGATION PROCESS

The Title IX Office should designate Investigators specifically trained in power-based violence investigations to conduct a prompt, thorough, and fair investigation.

The process should begin with intake meetings conducted by the Title IX Coordinator. The investigation phase should include interviewing the Complainant or Reporter, the Respondent, and any witnesses; reviewing law enforcement investigation documents if applicable; reviewing relevant student or employment files; and gathering and examining other relevant documents and evidence.

As a part of the investigation, the University should provide an opportunity for all parties to present written statements, identify witnesses, and submit other evidence.

Both Complainants and Respondents should be advised of the utilization of Advisors throughout the investigation process. Parties should be advised that Advisors are not permitted to participate directly in Resolution Hearings or Informal Resolution Conferences, except to the extent an Advisor's participation is required during Title IX grievance hearings; they may be present solely to advise or support the party and are prohibited from speaking directly to the Investigator, the power-based violence adjudicating University Official(s), other parties, or witnesses. If a party does not have an Advisor, they may request that the TIXC assign one for them to assist in the process.

C. FINDINGS & INVESTIGATIVE REPORT

At the conclusion of the investigation, Investigators should prepare a report (the “Investigative Report”) summarizing and analyzing the relevant facts determined through the investigation, with reference to any supporting documentation or statements. The report should be delivered to the Title IX Coordinator, who should analyze the report to ensure that the investigation was prompt, impartial, thorough, and consistent with this Policy. Before the Investigative Report is finalized, the Complainant and Respondent should be given the opportunity to review one another’s statements and may also be provided with a written summary of other information collected during the investigation if the information is requested and the Title IX Office deems it appropriate to disclose.

A Complainant or Respondent should submit any comments about their own statement, or on any investigation summary that might be provided, to the Investigators within ten (10) calendar days after the statement or summary was provided. Following the receipt of any comments submitted, or after the allowed comment period has lapsed without comment, the Investigators should address any identified factual inaccuracies or misunderstandings, as appropriate.

The final Investigative Report should provide a summary of the Investigators’ impressions, including context for the evidence collected, but should not make a final determination as to whether a violation of the Power-Based Violence Policy occurred, reserving that decision (and any sanctions) for the appropriate DM/HP(s). The parties should be provided with a copy of the final Investigative Report simultaneously.

D. RESOLUTION

1. INFORMAL RESOLUTION

For Formal Complaints with a student Respondent, at the discretion of the Title IX Coordinator, the parties should be advised of their option to pursue an Informal Resolution as an alternative to a Formal Resolution. An Informal Resolution should involve a remedies-based, non-judicial process designed to eliminate or address potential power-based violence. This process should aim to ensure fairness, to facilitate communication, and to maintain an equitable balance of power between the parties.

Institutions should not compel face-to-face confrontation between the parties or participation in any particular form of Informal Resolution. The Title IX Coordinator should make an initial decision about whether a case qualifies for an Informal Resolution. If both parties

then agree to pursue that path, the Institution will halt any investigation or scheduled Hearing Resolution Process so that the parties can explore the possibility of Informal Resolution. Participation in an Informal Resolution is voluntary, and either party can request to end the Informal Resolution process at any time and commence or resume the investigation process. If the parties agree to a resolution during an Informal Resolution process, the Title IX Coordinator will oversee its implementation, the Formal Complaint would be deemed withdrawn, and the matter should be terminated. The case is closed, and an Appeal is not allowed. The resolution will be considered binding, and its breach would give rise to a new Formal Complaint.

2. FORMAL RESOLUTION

THE FORMAL HEARING RESOLUTION PROCESS:

The Formal Hearing Resolution Process may be used at the discretion of the Title IX Coordinator. The following provisions apply to a live hearing:

- **Hearing Venue Options and Recordings.** The live hearing may occur in person or via video technology. The DM/HP(s) and Parties must be able to simultaneously see and hear a party or witness while that person is speaking. Both options are considered fair and equitable. Alternative arrangements may also be made at the Title IX Coordinator's discretion.
 - All hearings will be recorded, and Parties may request a copy of the recording from the Title IX Coordinator following the live hearing. A transcript may be provided instead of the actual recording.
 - No unauthorized recordings are permitted.
- **Scheduling.** Hearings for possible violations that occur near or after the end of an academic term (assuming the Respondent is still subject to this Policy) and are unable to be resolved prior to the end of term will typically be held immediately after the end of the term, including during the summer, as needed, to meet Northwestern State University's resolution timeline and ensure a prompt resolution. Employees, including Parties and witnesses, who do not have 12-month contracts are still expected to participate in Resolution Processes that occur during months between contracts.
- **Hearing Participants.** Persons who may be present for a hearing include the Decision Maker/Hearing Panel (DM/HP), hearing facili-

UNIVERSITY POLICIES AND PROCEDURES

tator, Investigator(s), the Parties and their Advisors, anyone providing authorized accommodations, interpretation, and/or assistive services, and anyone else deemed necessary by the DM/HP. Witnesses are present only during their portion of the testimony.

- **Advisors.** The Parties may have the assistance of an Advisor of their choosing at the hearing or can request that Northwestern State University appoint a trained Advisor for them. Appointed Advisors are not attorneys. If a party wishes to have an attorney as their Advisor, they must locate and pay for that attorney themselves.
 - During the pre-hearing meeting and live hearing, Parties may only be accompanied by their Advisor. No other persons (e.g., additional support persons, advisors, friends, family) may accompany, attend, or listen in on the pre-hearing meeting or live hearing unless explicitly authorized by the Title IX Coordinator, with each party being provided the same opportunity.
 - Parties and Advisors are permitted to have their phones and a laptop or tablet, but these should only be used during the hearing in a matter consistent with Policy.
 - During the hearing, all questions that a party wishes to ask must be posed by the Advisor, not the Parties. **OR**
 - At the discretion of the TIXC, all questions during the hearing may be asked by the DM/HP. Parties and Advisors may suggest questions to be posed by the DM/HP during the pre-hearing meetings or by submission of written questions during the hearing. The method of submitting questions to the DM/HP will be specified by the DM/HP during the pre-hearing meetings.
 - If the party does not have an Advisor, the Title IX Coordinator will provide the party with an Advisor for the purpose of Advisor-conducted questioning.
- **Impact Statements.** Each party may submit an impact and/or mitigation statement to the Title IX Coordinator that the DM/HP will review during any sanction determination.
 - Upon receipt of an impact and/or mitigation statement, the Title IX Coordinator will review the impact/mitigation statement to determine whether any immediate needs exist.
 - The Title IX Coordinator will only provide the impact statements to the DM/HP if it is determined that the Policy has been violated. At that point, when the Title IX Coordinator shares the impact statements with the DM/HP, they will also be shared with the Parties.

UNIVERSITY POLICIES AND PROCEDURES

- **Disability Accommodations and Other Assistance.** Parties should contact the Title IX Coordinator at least seven (7) University business days prior to the hearing to arrange any disability accommodations, language assistance, and/or interpretation services that may be needed at the hearing, if possible.
- **Conflicts of Interest or Bias.** The Decision Maker/Hearing Panel (DM/HP) must not have a bias for or against complainants or respondents generally or the individual Complainant or Respondent in particular.
 - The DM/HP must recuse themselves if such bias or conflict of interest exists.
 - If the DM/HP believes there is a possible conflict of interest or bias, they will consult with the Title IX Coordinator about possible recusal or removal.
 - The Parties may raise challenges that the DM/HP is biased or has a conflict of interest. The Parties must raise challenges with the Title IX Coordinator within two (2) business days of receiving the hearing notice.
 - The Title IX Coordinator will only remove and replace a DM/HP in situations of demonstrated bias or conflicts of interest. Perceptions of bias or conflict are not sufficient to cause removal.
 - If a DM/HP recuses themselves as the result of a conflict of interest or bias, or is removed, the Title IX Coordinator will promptly appoint a new DM/HP who does not have a conflict of interest or bias and notify the Parties accordingly.
- **Evidence Provided to DM/HP and Parties.**
 - The DM/HP will be provided with electronic copies of the Final Investigative report and all relevant but not impermissible evidence, including the names of all Parties, witnesses, and Advisors, at least seven (7) business days in advance of the hearing.
 - The Parties will be provided with electronic copies of all the materials provided to the DM/HP as part of the hearing notice, unless those materials have already been provided.

E. HEARING NOTICE

The Title IX Coordinator will send the Parties a notice of hearing with sufficient time for the Parties to prepare for the hearing, typically at least seven (7) business days prior to the hearing. Once mailed, emailed, and/or received in-person, notice will be presumptively delivered. The hearing notice includes:

- A description of the alleged violation(s), a list of all policies allegedly violated, a description of the applicable hearing procedures, and a state-

ment of the potential sanctions/responsive actions that could result.

- The time, date, and location of the hearing.
- A description of any technology that will be used to facilitate the hearing.
- Relevant information regarding hearing logistics, pre-hearing meetings, the Final Investigative report, the Parties and witnesses participating in the hearing, the identity of the DM/HP, details related to questioning, the role of Advisors, impact/mitigation statements, and how to request disability accommodations or other assistance.

F. WITNESS PARTICIPATION

Student witnesses are encouraged to participate in, and make themselves reasonably available for, the hearing. Employee witnesses are expected to participate in, and make themselves reasonably available for, the hearing. Witnesses may participate in-person or via video technology that allows the DM/HP and the Parties to see and hear the witness while that person is speaking. Witnesses are not permitted to be accompanied by an advisor. At the discretion of the DM/HP, a witness may join by phone if no other reasonable alternative is available.

The Title IX Coordinator will notify all witnesses of their requested participation in the hearing at least (5) five University Business days prior to the hearing. Witnesses will be present for the hearing only during their testimony. If any party or witness does not appear at the scheduled hearing, the hearing may be held in their absence. For compelling reasons, the Title IX Coordinator may reschedule the hearing. Any witness scheduled to participate in the hearing must have been first interviewed by the investigator(s), unless:

- All Parties and the DM/HP assent to the new witness's participation in the hearing without remanding the complaint back to the Investigator, and
- The DM/HP deems the evidence presented by the new witness to be relevant, not impermissible, and not information already established in the record, and
- The witness's late involvement was not the result of bad faith by the witness, the Parties, or others.

If the above criteria are not met, but the witness's evidence is deemed relevant, not impermissible, and not duplicative, the DM/HP may, at their discretion, engage in any of the following actions:

- o Delay the hearing.
- o Provide the Parties with at least five (5) business days to review the relevant portions of the new witness's statements, if such statements are submitted.

UNIVERSITY POLICIES AND PROCEDURES

- o Remand the Complaint back to the Investigator for further investigation or verification.
- o Allow the Parties to review and comment on the testimony of the new witness.

If the evidence is deemed not relevant or impermissible, the DM/HP may proceed with the hearing absent the new witness's participation.

G. INTRODUCTIONS AND HEARING PROCEDURE EXPLANATION

The DM/HP/Hearing Panel (DM/HP) will explain the hearing procedures and introduce the participants. The DM/HP will answer any procedural questions prior to and as they arise throughout the hearing.

H. INVESTIGATOR PRESENTATION OF FINAL INVESTIGATIVE REPORT

The Investigator(s) will present a summary of the Final Investigative report, including a review of the facts that are contested and those that are not. The Investigator may be questioned first by the DM/HP and then by the Parties' Advisors. The Investigator may attend the duration of the hearing or be excused after their testimony at the DM/HP's discretion.

I. TESTIMONY AND QUESTIONING

The Parties and witnesses may provide relevant information in turn, beginning with the Complainant's opening statement, then the Respondent's, and then questioning in the order determined by the DM/HP. The DM/HP(s) will facilitate questioning of the Parties and witnesses first by the DM/HP and then by the Parties through the DM/HP **OR** through their Advisors.

All questions must be directed toward and asked through the DM/HP and are subject to a relevance determination before they are asked. The DM/HP will determine the method by which the Parties will submit their questions to the DM/HP for their review and, if approved, to be posed. Questions that the Parties wish to have posed can be questions for that party themselves, another party, or witnesses.

The DM/HP will explain any decision to exclude a question as not relevant, or to reframe it for relevance.

The DM/HP will limit or disallow questions deemed inappropriate on the basis that they are irrelevant, unduly repetitious (and thus irrelevant), seek or pertain to impermissible evidence, or are abusive. The DM/HP has final say on all questions and determinations of relevance and appropriateness. The DM/HP may consult with legal counsel on any questions of admissibility.

UNIVERSITY POLICIES AND PROCEDURES

The DM/HP then poses the questions deemed relevant, not impermissible, and appropriate to the party and/or witness.

If the Parties raise an issue of bias or conflict of interest of an Investigator or DM/HP at the hearing, the DM/HP may elect to address those issues, consult with legal counsel, refer them to the Title IX Coordinator, and/or preserve them for appeal. If bias is not an issue at the hearing, the DM/HP should not permit irrelevant questions that probe for Investigator bias.

The DM/HP will allow witnesses who have relevant and not impermissible information to appear at a portion of the hearing to respond to specific questions from the DM/HP and the Parties, and the witnesses will then be excused.

J. REFUSAL TO SUBMIT TO QUESTIONING

Any student witness may choose not to offer evidence and/or answer questions at the hearing, either because they do not attend the hearing, or because they attend but refuse to participate in some or all questioning. Employee witnesses are required to participate in the hearing if they are reasonably available. The DM/HP can only rely on the available relevant and not impermissible evidence in making the ultimate determination of responsibility. The DM/HP may not draw any inference solely from a party's or witness's absence from the hearing or refusal to answer any or all questions.

An Advisor may not be called as a witness at a hearing to testify to what their advisee has told them during their role as an Advisor unless the party being advised consents to that information being shared.

K. HEARING RECORDINGS

Northwestern State University records hearings (but not deliberations) for purposes of review in the event of an appeal. No unauthorized audio or video recording of any kind is permitted during the hearing.

The DM/HP, the Parties, their Advisors, Appeal DM/HPs, and other appropriate Northwestern State University officials will be permitted to review the recording or review a transcript of the recording upon request to the Title IX Coordinator. No unauthorized disclosure, including sharing, copying, or distribution of the recording or transcript, is permitted.

L. DELIBERATION AND DETERMINATION

After closing statements from the Parties, the DM/HP(s) will deliberate in closed session to determine whether the Respondent is responsible for the alleged Policy violation(s) based on the preponderance of the

evidence standard of proof. If a panel is used, a simple majority vote is required to determine the finding. Deliberations are not recorded.

When there is a finding of responsibility for one or more of the allegations, the DM/HP(s) may then consider any previously submitted impact and/or mitigation statement(s) provided by the Parties in determining appropriate sanction(s). The Title IX Coordinator will ensure that any submitted statements are exchanged between the Parties if they are viewed by the DM/HP. Impact/mitigation statements do not influence the finding, they only potentially influence the sanctions.

The DM/HP will then prepare and provide the Title IX Coordinator with a written outcome letter detailing all findings and final determinations, the rationale(s) explaining the decision(s), the relevant and not impermissible evidence used in support of the determination(s), the evidence not relied upon in the determination(s), any credibility assessments, and any sanction(s) and rationales explaining the sanction(s).

This statement is typically submitted to the Title IX Coordinator within ten (10) business days of the conclusion of the hearing, unless the Title IX Coordinator grants an extension. The Title IX Coordinator will notify the Parties of any extension.

XIII. SANCTIONS

Factors the University Official(s) may consider when determining sanctions and responsive actions include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- The need for sanctions/responsive actions to bring an end to the sex discrimination, sex-based harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of sex discrimination, sex-based harassment, and/or retaliation
- The need to remedy the effects of the sex discrimination, sex-based harassment, and/or retaliation on the Complainant and the community
- The impact on the Parties
- The Respondent's acceptance of responsibility
- Any other information deemed relevant by the University Official(s)

The sanctions will be implemented as soon as it is feasible once a determination is final, either upon the outcome of any appeal or the expiration of the window to appeal, without an appeal being requested.

The sanctions described in this Policy are not exclusive of, and may be in addition to, other actions taken, or sanctions imposed, by external authorities.

A. STUDENT SANCTIONS/OUTCOMES

Sanctions listed below include but are not limited to sanctions used in the Responsible finding of a PBV/TIX Formal Complaint/Hearing.

- **Reprimand:** A formal statement that the conduct was unacceptable and a warning that further violation of any Northwestern State University policy, procedure, or directive will result in more severe sanctions/responsive actions.
- **Required Counseling:** A mandate to meet with and engage in either Northwestern State University-sponsored or external counseling to better comprehend the misconduct and its effects.
- **Restrictions:** A student may be restricted in their activities, including, but not limited to, being restricted from locations, programs, participation in certain activities or extracurriculars, study abroad, or holding leadership roles in student organizations.
- **Probation:** An official sanction for violation of institutional policy, providing for more severe disciplinary sanctions in the event that the student is found in violation of any institutional policy, procedure, or directive within a specified period of time. Terms of the probation will be articulated and may include denial of specified social privileges, exclusion from extra-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate.
- **Suspension:** Separation from the institution, or one or more of its facilities, for a defined period of time, typically not to exceed two (2) years, after which the student is eligible to return. Eligibility may be contingent upon satisfaction of specific conditions noted at the time of suspension, on successfully applying for readmission, or upon a general condition that the student is eligible to return if the institution determines it is appropriate to re-enroll/readmit the student. The student is typically required to vacate institutional property within 24 hours of notification of the action, though this deadline may be extended at the discretion of the Title IX Coordinator or other appropriate official. During an institution-wide suspension, the student is banned from institutional property, functions, events, and activities unless they receive prior written approval from an appropriate institutional official. This sanction may be enforced with a trespass action, as necessary. [This sanction may be noted as a Disciplinary Suspension on the student's official academic transcript, per institutional policy and/or state law.]

UNIVERSITY POLICIES AND PROCEDURES

- **Expulsion:** Permanent separation from the institution. The student is banned from institutional property, and the student's presence at any institution sponsored activity or event is prohibited. This action may be enforced with a trespass action, as necessary. [This sanction may be noted as Disciplinary Expulsion on the student's official academic transcript, per institutional policy and/or state law.]
- **Withholding Diploma:** Northwestern State University may withhold a student's diploma for a specified period of time and/or deny a student participation in commencement activities as a sanction if the student is found responsible for violating Policy.
- **Revocation of Degree:** While very rarely exercised, Northwestern State University reserves the right to revoke a degree previously awarded from Northwestern State University for fraud, misrepresentation, and/or other violation of Northwestern State University policies, procedures, or directives in obtaining the degree, or for other serious violations committed by a student prior to graduation.
- **Other Actions:** In addition to, or in place of, the above sanctions, Northwestern State University may assign any other sanctions as deemed appropriate.

XIV. GRIEVANCE PROCEDURE APPEALS

The appeal process is equally available to the parties and includes the procedures and permissible basis for the Complainant and Respondent to appeal. A request for appeal, along with supporting documentation must be submitted based on one of the following grounds within five (5) University business days of the delivery of the Notice of the Outcome. **A request for appeal without supporting documentation will result in dismissal.**

Appeals should only be raised on one or more of the following grounds:

1. A procedural irregularity that affected the outcome of the matter;
2. To consider new facts or information that were not known or knowable to the appealing party before or during the time of the resolution and that are sufficient to alter the decision;
3. The Title IX Coordinator, Investigator, or Decision Maker/Hearing Panel had a conflict of interest or bias that affected the outcome of the matter;

As to all appeals the Institution should, at a minimum:

1. Notify the other party in writing when the appeal is filed and implement appeal procedures equally for both parties;
2. Ensure the University Official(s) for the appeal review is/are not the same individual(s) who reached the determination regarding responsibility or dismissal, the Investigator(s), or the Title IX Coordinator;

UNIVERSITY POLICIES AND PROCEDURES

3. Give both parties a reasonable, equal opportunity to submit a written statement in support of or challenging the outcome;
4. Issue a written decision describing the result of the appeal review and the rationale for the result; and
5. Provide a written decision simultaneously to both parties.

XV. TRAINING

A. RESPONSIBLE EMPLOYEES

The University shall require annual training for each of its

BOR shall annually review the annual training program and revise it as needed.

B. CONFIDENTIAL ADVISORS

Each Institution shall designate individuals who shall serve as Confidential Advisors, such as health care staff, clergy, staff of a women's center, or other such categories. Such designation shall not preclude the Institution from partnering with national, state, or local victim services organizations to serve as Confidential Advisors or in other confidential roles.

Prior to designating a person as a Confidential Advisor, the person shall complete a training program that includes information on power-based violence (including "sexual harassment" under Title IX, as well as other types of power-based violence falling outside Title IX's jurisdictional requirements), trauma-informed interactions, Title IX requirements, state law on power-based violence, and resources for victims. The Confidential Advisor shall also complete annual training relative to power-based violence and Title IX. UNIVERSITY POLICIES AND PROCEDURES

Each executed MOU shall be reviewed annually by each Institution's Chancellor, Title IX Coordinator, and the executive officer of the criminal justice agencies involved and shall be revised as considered necessary. Nothing in this Section or any MOU shall be construed as prohibiting an alleged victim or Responsible Employee from making a Formal Complaint to both the Institution and a law enforcement agency).

ARTICLE I: INTRODUCTION

Northwestern State University has an educational mission, with programs and activities that promote the pursuit of knowledge through instruction, research and service. The University exists as a community of students, faculty, administrators, and staff who provide, participate in, and support these activities and programs. The university campus, facilities, properties and other resources facilitate this educational mission.

University policies are designed to preserve and enhance the university's ability to function effectively and efficiently as an academic institution. These policies recognize rights and responsibilities for all university community members and are aligned with the University's Core Values.

- **Our students are our priority.** We provide each student with transformational and experiential learning experiences to assist in the development of an ever-growing individual, scholar, and professional.
- **Diversity helps define who we are.** We welcome and respect all traveling on a journey for knowledge. Differences make us stronger.
- **We are future focused.** We are in constant search of individual and organizational improvement by seeking new, inclusive, and innovative opportunities to develop our students and improve our University.
- **Innovation is leading the forward edge of change.** We strive to be at the forefront of all we do.
- **We honor and respect the ideals of freedom.** We protect the freedom of all members of our community to seek truth and express their views.
- **We are careful stewards.** We responsibly and sustainably manage the economic and natural resources entrusted to us.

CODE OF CONDUCT

- **Integrity is our cornerstone.** We hold ourselves to the highest ethical standards as educators, scholars, students, and professionals.
- **We are a team.** We are a collaborative community that focuses on ensuring the success of every member.

These guiding principles provide the framework and the philosophy behind the Student Code of Conduct (“Code”).

This Code supports the university’s educational mission by protecting the vital processes, resources, and community interests. Policies and procedures within the Code are designed to promote a campus environment conducive to learning and educational pursuits. This Code seeks to ensure that students enjoy all proper rights, without undue infringement by others.

Students, as members of the community at large, are entitled to the freedoms and rights guaranteed by the Constitutions of the United States and the State of Louisiana. As members of the university community, students also have rights particular to an institution of higher learning. These rights and responsibilities are further discussed in Article IV (“Student Rights and Responsibilities”) of this Code.

Northwestern State University of Louisiana students are responsible for becoming and staying familiar with the Student Code of Conduct.

NSU reserves the right to change this code as necessary, and it will be implemented once those changes are posted online.

ARTICLE II: CONDUCT AUTHORITY

General authority in the governance of students enrolled at Northwestern State University is delegated to the University President by the University of Louisiana System Board of Supervisors. Authority is further delegated to the Vice President for The Student Experience and Dean of Students (VPSE & DoS), who administers this Code for the University. University Officials are trained faculty/staff members designated by the Office of Accountability and Student Conduct. The Code is published and made available to all University students.

CODE OF CONDUCT

Upon admission, a student shall be deemed to have accepted the conditions and obligations stated herein, in addition to all other applicable university regulations which have been or may be issued and published by proper authority. This Code shall apply to all students and Recognized Student Organizations. In addition to student conduct on university property, conduct off-campus shall be fully within the scope of this Code, when applicable. The University shall follow the Accountability Process when the alleged conduct directly and/or adversely affects the mission of the institution or the University community.

Section 1.0 Jurisdiction of the University

- 1.1 University jurisdiction and discipline applies to behaviors that take place on the campus, at university-sponsored events, and may also apply off-campus when the Conduct Officer or designee determines that the off-campus conduct affects a substantial university interest. A substantial university interest includes any of the following circumstances:
 - 1.1.1 The Complainant of such offense is a member of the university community (e.g., student, faculty, staff, administrator, contractor).
 - 1.1.2 The offense occurred at university-sponsored or sanctioned event (e.g., Greek houses, athletic events).
 - 1.1.3 The Respondent used his or her status as a member of the university community to assist in the commission of the offense (e.g., using another student's I.D. card to gain access into the WRAC).
 - 1.1.4 The offense seriously impairs the educational mission and/or interests of the University (e.g., armed drug dealer arrested downtown).
 - 1.1.5 Any situation where it appears that student's conduct or behavior may present a danger or threat to the health, safety, or well-being of him/herself or others.
- 1.2 The University asserts an interest in the conduct of its students and expects students to observe University regulations and obey the law at all times, whether on University property or in

CODE OF CONDUCT

the community at large, throughout the period in which they seek admission to, are admitted to, are enrolled in, or seeking continuing enrollment in the University. Students may be subject to disciplinary action by the University for any conduct that violates university regulations or civil and criminal laws, regardless of location, wherein the conduct occurs, whether on or off-campus.

- 1.3 Students are accountable for the conduct of their guests on-campus or at university-sponsored or controlled events, functions, and locations including, but not limited to student housing, entertainment venues, and athletic venues.
- 1.4 The University has designated the Title IX Coordinator to administer the University's Power Based Violence and Sexual Misconduct Policy and Procedures. These policies govern complaints of sexual discrimination, sexual harassment, sexual assault, stalking, and dating and domestic violence. Nothing in these regulations should be read to contradict or superseded those policies.

Section 2.0 Violation of Law and University Discipline

Students should be aware that the student conduct process is quite different from criminal and civil court proceedings.

- 2.1 A student cited with an off-campus violation of federal, state, or local laws, but not with any other violation of the Code, may be subject to disciplinary action. Outcomes may be imposed for misconduct that is detrimental to or demonstrates disregard for the university community and/or its pursuit of university objectives.
- 2.2 The Accountability Process may be instituted against a student cited for violation of a law that is also a violation of this Code if both violations result from the same factual situation, without regard to pending civil litigation in court or criminal arrest and prosecution. Proceedings under this Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

CODE OF CONDUCT

- 2.3 An individual whose conduct violates federal, state, or local law, as established by clear and convincing evidence as outlined herein, need not be criminally charged or convicted for their conduct to be deemed a violation of the Code.
- 2.4 When a student is cited by federal, state, or local authorities with a violation of law, the University will not request or agree to special consideration for that individual because of their status as a student. If the alleged offense is also the subject of a proceeding under the Code, however, the University may advise off-campus authorities of the existence of the Code and of how such matters will be handled internally within the university community. The University will cooperate fully with law enforcement and other agencies in the enforcement of the law and in the conditions imposed by courts for the rehabilitation of student violators.
- 2.5 The University shall not be bound by the outcome of criminal and civil proceedings in the University's determination of whether misconduct did or did not occur or in the selection of an appropriate Outcome(s).

Section 3.0 Review of Student Code of Conduct

- 3.1 The Student Code of Conduct shall be reviewed annually or as needed. Students, faculty, staff, and administrators are included on the review committee. Recommendations for revisions shall be submitted to the VPSE & DoS for consideration and approval.

The file shall not include privileged documents or internal memorandums that the University does not intend to introduce as evidence at any Hearing on the matter.

- 1.6 **Next Steps.** Following receipt of a complaint and completion of preliminary investigation, if the alleged violation is found to be substantiated, the Accountability Process may proceed along Informal or Formal lines. These processes are outlined in Sections 2.0 and 3.0 below.

CODE OF CONDUCT

Section 2.0 Informal Accountability Process

The structure of the hearing will generally proceed as follows:

- 2.1 **Accountability Conference.** An Accountability Conference with the University Official(s) will be scheduled within ten (10) university business days to explain the nature of the complaint and the Accountability Process. At this meeting, the student/RSO may indicate, either verbally or in writing, to the University Official(s), whether they accept or deny the alleged code violation(s). As part of the Conference or Hearing, the University Official(s) will do the following:
 - 2.1.1 Interview relevant witnesses;
 - 2.1.2 Obtain documentary evidence;
 - 2.1.3 Observe physical information;
 - 2.1.4 Analyze content; and

- 2.2 **Accountability Conference Outcome.** If the student/RSO is found not responsible for violating the Code, an *Accountability Determination Letter* will be sent by NSU email, and the case will be dismissed. If the student/RSO is found responsible, the University Official(s) conducting the Accountability Conference will determine the Findings and Outcomes for the misconduct, which the student/RSO may accept or reject. The following options are available:

be sent via NSU email, the student/RSO has the right to Appeal based on one or more grounds (Article VII, Section 1.0). The student/RSO may Appeal a decision resulting from a Conference by submitting an online [Appeal Request Form](#) within ten (10) University business days after receiving notification of the Conference results in the *Accountability Determination Letter*.

present a defense and for witnesses to be heard. The student/RSO is responsible for notifying any witness(es) of the date, time, and place for the Hearing. The names of witnesses and their relationship to the matter must be submitted to the ASC in writing before the Hearing. Accountability Hearings will be conducted according to the following guidelines:

- 3.2.1 The Hearing shall be closed only to those persons directly involved and will be recorded by the University Official. All other recording devices are prohibited in hearings.
- 3.2.2 The standard of review shall be clear and convincing. The committee shall ascertain whether valid reasons for the outcome(s) were substantiated, and the procedures followed were consistent in their application.

- 3.2.8 When the hearing convenes, no new evidence will be considered.

- 3.2.10 Within five (5) university business days of the conclusion of the Accountability Hearing, the University Official may dismiss the allegations as

CODE OF CONDUCT

unsubstantiated or impose appropriate Outcome(s). An Accountability Determination letter will be issued to the student/RSO via NSU email with the Findings and Outcome of the Hearing and information about the Appeal Process.

- 3.3 **Outcome.** The University may reimburse the student for any tuition and fees paid for the suspension period, including a deferred suspension or expulsion not previously refunded, if applicable.

ARTICLE VII: APPEALS

The student/RSO has the right to appeal based on one or more grounds. By virtue of the powers vested in him by the Board of Supervisors for the University of Louisiana System, the President is the highest disciplinary functionary at the University. He is, therefore, the highest appellate authority only after all other appeals have been exhausted. The Appeal processes are outlined below.

Section 1.0 Requesting an Appeal

- 1.1 **Grounds for Appeal.** Appeals are limited to the following grounds:
- 1.1.1 **A procedural error** in due process that would change the Outcome.
 - 1.1.2 **New or contradictory evidence** that would change the Outcome and that was not reasonably available at the time the determination regarding responsibility or dismissal was made.
 - 1.1.3 The **Outcomes imposed are substantially disproportionate** to the severity of the violation or guidelines set by the University for this type of offense or the cumulative conduct record of the responding student.
- 1.2 **Appeal Request Form.** An Appeal must be requested in writing using the Appeal Request Form within ten (10)

CODE OF CONDUCT

university business days after delivery of the Accountability Determination Letter. The Appeal Request Form and documentation/proof will be reviewed for consideration to determine if the request meets the grounds for Appeal.

- 1.2.1 University Official(s) may request supporting documentation from the Accountability Conference or Hearing to make this determination. This is not a review of the merits of the Appeal, but solely a determination as to whether the request (a) could reasonably be construed to meet the grounds and (b) is filed in a timely manner.
- 1.2.2 University Official(s) may consult with legal counsel on questions of procedure or rationale, for clarification, if needed. The University Official(s) will maintain documentation of all such consultation.
- 1.2.3 Respondents can only submit one (1) Appeal Request Form. Any amendments to the initial request must be made within the original time limit for Appeal (ten (10) university business days).

1.3 **Appeal Request Determination.** In most cases, Appeal requests are confined to a review of the written documentation, record of the original determination, and pertinent documentation regarding the grounds for appeal specified in the Appeal Request Form.

- 1.3.1 **Appeal Request Denied.** If the Appeal Request Form (a) does not provide information that meets the grounds in this Code, or (b) is not filed within the specified time for Appeals, then the Appeal request will be denied. The student/RSO and their Advisor/Advocate will be simultaneously notified via email of the denial and the rationale. This decision is final. A student/RSO may not submit any new Appeal Requests after the initial Appeal Request has been determined. The *Appeal Request Determination Letter* will be sent within five (5) university business days of receipt of the Appeal Request Form.

CODE OF CONDUCT

- 1.3.2 **Appeal Request Approved.** If the Appeal Request Form (a) provides information that meets any of the grounds in this Code, and (b) the Appeal is filed within the specified time for Appeals, then the Appeal Request will be approved. The student/RSO and their Advisor/Advocate will be simultaneously notified via email regarding the next steps. The *Appeal Request Determination Letter* will be sent within five (5) university business days of receipt of the Appeal Request Form.

Section 2.0 Appeal Review Process

- 2.1 **Appeal Review.** Any student or RSO that is found to be in violation of the institution's non-academic rules or policies shall be afforded one (1) opportunity to Appeal the University's initial decision to an appellate entity that is an institutional administrator or body that did not make the initial decision.

An Appeal is not an opportunity for the University Official(s) to substitute their judgment for that of the original Decision-maker merely because they disagree with the Finding and/or Outcomes(s). Appeal decisions are to be respectful of the original determination, making changes to the Finding only when there is clear error to the Outcomes and responsive actions and only if there is a compelling justification to do so.

In accordance with [LA HB364](#), the University designates the appellate entity as the final institutional authority on the matter; however, nothing in this Section shall preclude a court from granting a prevailing plaintiff equitable relief.

- 2.2 **Appeal Review Determination.** After reviewing the criteria for Appeal and considering the evidence provided, the University Official(s) may:

- 2.2.1 Uphold the decision of the original Outcome;
- 2.2.2 Reduce or Modify the imposed Outcome;
- 2.2.3 Order a new Hearing (*Formal process only*).

An *Appeal Determination Letter* will be emailed to the student/

CODE OF CONDUCT

RSO and their Advisor/Advocate simultaneously, or without significant time delay between notifications. The *Appeal Determination Letter* will specify (a) the Findings on each ground for Appeal, (b) specific instructions for remand or reconsideration, (c) Outcome(s) that may result which NSU is permitted to share according to federal or state law, and the rationale supporting the essential Findings to the extent NSU is permitted to share under federal or state law.

2.3 **The Outcome of an Appeal Review constitutes the Final Determination.**

2.4 **Outcome Status During the Appeal.** The student's responsibility to comply with the Outcome given in the *Accountability Determination letter* will vary depending on whether Emergency Removal measures were taken.

2.4.1 If emergency removal measures are in place prior to the original Outcome and/or Appeal determination, the emergency removal remains in effect.

2.4.2 If no emergency removal measures are in place, any Outcome(s) imposed in the *Accountability Determination letter* will be set aside (e.g., not implemented) until the Appeal Review Determination is made.

The student grievance process does not provide the benefit of a hearing by the student directly to the Board of Supervisors.

ARTICLE X: ACCOUNTABILITY OUTCOMES

A student or RSO committing a violation of this Code shall be subject to the Accountability Outcomes outlined in this article. An Outcome may be imposed alone or with one (1) or more additional Outcomes. Accountability Outcomes for both non-academic and academic misconduct are defined in Sections 1.0 and 2.0 below.

The Accountability Process uses Outcomes to encourage positive change and developmental growth and to protect persons, property, and the integrity of the University. A Student/RSO will receive written notice of assigned Outcomes via NSU email, along with specific conditions required for successful completion.

The ASC may delay registration for classes or withhold the issuance of an official transcript, grade, diploma, or degree to a student alleged to have violated a rule or regulation of the University who has not completed an Outcome or has failed to respond to an ASC directive.

The following Outcomes may be imposed or instituted by the University for any violation of this Code:

ARTICLE XIII: INVOLUNTARY WITHDRAWAL DUE TO EMOTIONAL, PSYCHOLOGICAL, AND/OR MEDICAL REASONS

Northwestern State University is committed to offering an educational opportunity to all students. When a student constitutes a threat to the health, safety, and welfare of the student, others, or university property or is unable to effectively pursue academic studies because of behavior that is disruptive to the educational process of the University, the Behavior Intervention Team (BIT) may take the necessary actions to protect the student in question and any other persons. Such action may include involuntary withdrawal from the University and/or notification of the student's parents or guardians (even if the student is 18 years or older). Danger to self or others may include but is not limited to suicidal attempts, gestures, repeated intentional self-injury, threats or acts of assault and behaviors which necessitate unusual measures to monitor. Decisions of the BIT concerning a perceived imminent threat take priority over other university policies and procedures.

Involuntary withdrawal for medical reasons will be undertaken when the student exhibits behavior resulting from severe psychological disturbance as documented by a licensed psychologist, psychiatrist, or counselor. Students who refuse or are unable to cooperate with recommended assessment and/or treatment or those whose psychological or physical condition suggests a disorder that is observed to deteriorate to the point of permanent disability or inability to function in the university environment may also be deemed a danger or disruption to the university community. Included in this description are students whose physical or psychological disorder requires specialized services beyond those available on campus or in the local community and whose condition will deteriorate without additional resources (involuntary committal).

CODE OF CONDUCT

The University reserves the right to require the student to provide documentation of a psychological and/or medical evaluation assessing the student's state and validating the individual's readiness to return to the university environment. Such documentation will be submitted to the VPSE & DoS and will be used to determine the terms of reinstatement of the student.

Section 2.0 Involuntary Withdrawal Summons

 - 2.4.2 Evaluate the degree of the problem.
 - 2.4.3 Determine whether the individual will be referred immediately to the appropriate professional staff or consultant for an Interview and, if so, advise the student that refusal to participate in the Interview will subject the student to Suspension from the University.
 - 2.4.4 Review the rights of the student as cited herein.
 - 2.4.5 Afford the student the right to choose Voluntary Withdrawal from the University or request a Hearing before the Committee on Involuntary Withdrawal. If an Administrative Referral is made, and whenever possible, the student will be accompanied to the Interview by an appropriate professional staff member. The professional staff member or consultant conducting the Interview shall make a determination concerning the degree of psychological disturbance and advise the Student Conduct Officer or the VPSE & DoS of the appropriate action.

Section 3.0 Procedures

The student shall be afforded the following rights when a Hearing is requested before the Committee:

Additionally,

the letter shall inform the student that the student's Advisor/ Advocate shall be limited to advising the student during the proceeding.

- 4.3 A student may be removed immediately from university property as provided in the Appeals, Article VII of the Code pending initiation of the above procedures.

CODE OF CONDUCT

ARTICLE XIV: POTENTIAL CONFLICT OF INTEREST/BIAS

Matters related to the Code should be handled by people free of any actual or reasonably perceived conflicts of interest and biases for or against any party. Any person exercising investigative or decision-making authority under this Code who believes they may have a conflict of interest or bias that would prevent them from impartially exercising their authority shall disclose the potential conflict/bias to the University Official(s) as soon as practicable after it is discovered. Arrangements will then be made to designate a conflict/bias-free alternative decision-maker in the case at issue.

Furthermore, if the accused student or RSO believes a person exercising investigative or decision-making authority under this Code has a conflict of interest or bias relating to the matter that would prevent them from impartially exercising their authority, the student or RSO may promptly object to the University Official(s) within five (5) university business days of becoming aware of the potential conflict.

If the student or RSO believes the University Official(s) has a conflict of interest or bias, such objection should be made to the VPSE & DoS or designee. Regardless of the time, such objection must occur before a determination of responsibility is made under the Code.

If the objection as to a conflict or bias is made with respect to the chairperson or a member of an Accountability body, such an objection must occur before the scheduled Hearing. The challenged person will be replaced if the Director of ASC or designee determines the objection is reasonable. The decision of the VPSE & DoS or designee regarding a challenge will be final.
