

Turn Editing On in Moodle

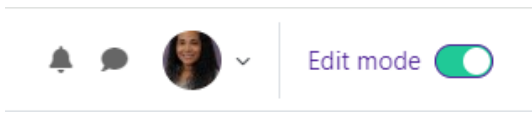

How Do I Turn Editing On?

Log in to Moodle.

Click on My Courses at the top of the page.

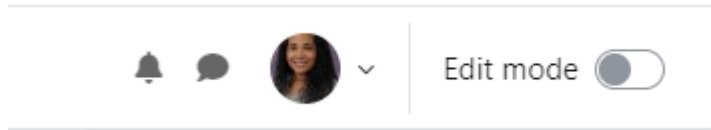

Choose the course.

The “Turn editing on (off)” button is found in the upper right hand area of the screen.

Once editing is on, the button will turn green and editing tools will be located next to each activity or resource.

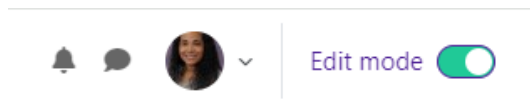

Example of Editing Off

Gray and white toggle = editing off

 Quiz 1
