Setting a User Override

Setting a User Override

Sometimes, you might need to change a quiz setting for a particular use or users because of specific circumstances. An example of this would be if a student needed extended time on a quiz.

To set up a user override:

Log in to Moodle and navigate to the course.

Locate and click on the quiz link.

Under the course name, click More and find Overrides.

User overrides 🔹

Add user override

Click on Add user override.
