- Second-year persistence of full-time enrolled students. Title III Grant “Elevate U” implementation.
- Student loan debt/affordability of college/FAFSA process continues to present challenges.
- The NSU brand needs to be stronger within key high schools and with stakeholders.

Final Thoughts: The Student Experience team is student-centered and elevates responsiveness to student needs by evaluating policies, processes, and resources that impact access and success.

Student Government Association

Top three progress areas:

New structure implementation with Senators allocated to the 4 Academic colleges, freshman senators, and at Large positions.

Organizational event planning optimization

SGA Speaker Series:

Athletic Prominence

Top progress areas:

- Hiring of Head Coaches:
 - **Football:** Hired Blaine McCorkle from Belhaven. Football Scoop a national journalistic platform that covers collegiate football stated that this hire pound for pound is the best hire in all of college football this hiring cycle.
 - **Softball:** Hired Lacy Prejean from UL. D1 Softball a national journalistic platform that covers collegiate softball named this hire the #1 softball hire in all D1 this past recruiting cycle. This includes hires made by teams in the P5 (ACC and Big 10).
 - **Soccer:** Hired Ian Brophy from Mt. Olive. Finished 4th in his first year. Lost to the Southland Conference Champion in the semi-finals in Penalty Kicks. Only lose one player who played meaningful minutes and are set up to be the preseason Southland Conference favorite in year two.
 - **Baseball:** Promoted Chris Bertrand. Finished 4th in his first year which was higher than the previous year. This was done despite having 37 new players on the roster.

Athletic Prominence

Top progress areas cont.

- **Audits:** Both the DUF Audit and Louisiana State/NCAA Audit had zero findings. This was the first time in several years that this was accomplished.
- **Diversity Hiring:** We have hired 4 minorities in administrative positions. Before my arrival there were zero minorities in administrative positions.
 - ❖ In addition, we have hired the first 2 minority Head Coaches in Northwestern State University history.
- **Student-Athlete Academic Success:**
 - Overall GPA was 3.064 which is an increase over last fiscal year.
 - NSU had 104 student-athletes graduate during the 2023-2024 AY.
 - NSU had 114 student-athletes named to the Spring Southland Conference Honor Roll. This was the highest percentage of student-athletes to do so since 2020.
 - NSU had 24.85% of its student-athletes achieve a 3.5+ GPA, the highest semester percentage since 2018.

Athletic Prominence

Top areas of concern:

- **Attendance:** Our attendance has decreased this year. There are several reasons for this from the cancellation of the football season with two home game remaining, our men's and women's basketball teams not as good as last years and ESPN+ airing every home game so fans can watch from the comfort of their homes. In addition, I do believe that our marketing efforts need to improve, and this should take place with the hiring of our new Associate AD for External Operations.
- **Facilities:** We must do everything we can to improve them. This is not just a recruiting issue; this is a student-athlete welfare issue.

Athletic Prominence

Final Thoughts: It takes time to turn a big ship like a Division I Athletic Department around. We are making great strides. As expected, there have been bumps in the road, but we have managed those well and are positioning the Athletic Department for great success in the future. This will only help NSU's brand, enrollment, and recruiting. The future is bright for NSU and NSU Athletics.

Diversity, Equity and Inclusion

Objective 1. Increase diversity and equity among the student body, faculty, staff, and administration.

Objective 2. Integrate diversity and inclusion throughout the academic curriculum and support programs.

Objective 3. Develop a more inclusive campus environment that fosters success and meaningful participation for all students, faculty, and staff.

Cultural Competence

Top progress areas:

- Retention Rates of Students of Color 1st year to 2nd year has increased by 12%! Want to continue to capitalize on this improvement.
- A completed draft of the best practices in hiring document is ready for collaboration with the faculty senate and administration.
- Have significantly increased the number of cultural events, programs, and workshops offered which integrated local, state, and national level leaders in their respective areas and continue to make progress in aligning actions and activities to current objectives.

Top areas of concern:

- Completion of a Cultural Climate Survey by faculty, staff, and students.
- Retention rates of Tenured Faculty of Color.
- Support that will lead to increased graduation rates for Students of Color
- Investment leading to increased development of our Ethnic Studies minor program

Cultural Competence

Final Thoughts: We are seeing progress in cultural competence throughout our NSU community. With continued support and true buy-in of the mission, we could see tangible improvements that will lead to better retention of students, faculty and staff, and alumni support.
