

NSU Office 365 Software Installation

Step #1: Log into your student email account and click the icon at the far left of the screen to access the apps menu.

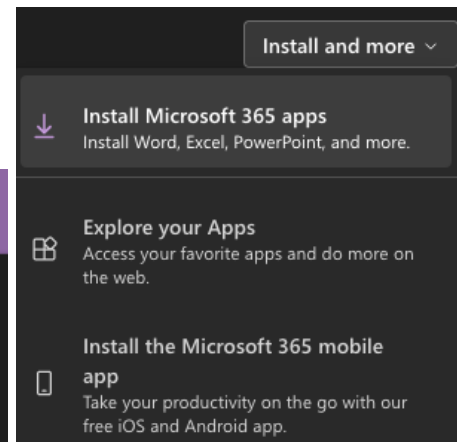

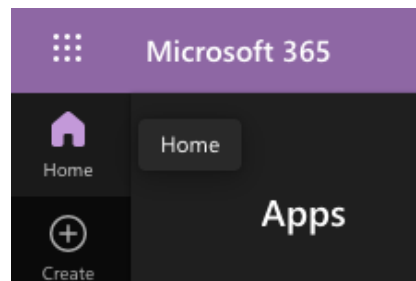

Then, click the **More apps** option in the list.

Step #2: Click the **Home** button.

Click the **Install and more** menu on the right side of the page.

Then, click the **Install Microsoft 365 apps** option from the list.

Step #3: Click the **Install Office** button to begin the download and installation.
