PRESENCE

The Demon Dazzlers serve as the official jazz line for Northwestern State University. Performing for NSU Demon pep rallies, football, and basketball games; the Demon Dazzlers blend different styles of movement to produce a unique style of precision-jazz dance that sets this team apart from all others.

During the fall semester, the Demon Dazzlers serve as an auxiliary unit of the "Spirit of Northwestern" Marching Band, accompanying them to various marching festivals, guest appearances, and football games both at home and selected away games. Members serve as ambassadors of Northwestern State University while participating in many different service projects on campus and in the Natchitoches community.

PRESTIGE

As a member of Demon Dazzlers, you will join a sisterhood of tradition that dates back to the 50's as the first Dance line at NSU was formed, called the *NSU Mademoiselles*. The name later changed to *Cane River Bells* in the 70's, and in the late 80's, they once again changed the name to what you now know as the *Demon Dazzlers*. These collegiate dance team members are as diverse as the dance styles they present, representing many different states and regions.

WELCOME

TO THE INFERNO

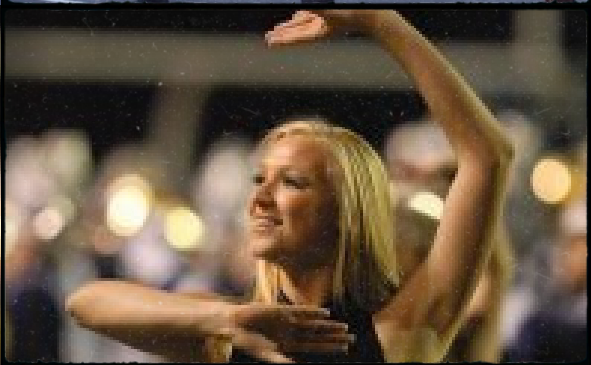

If you're looking for a team rooted in tradition, spirit, and technical foundations, you've come to the right place! There's nothing like taking the field at Turpin Stadium with the SoN for the first time. It's a rush of a lifetime you will not soon forget.

Being a Demon Dazzler is an honor and privilege. Dazzlers represent the University with grace while upholding the most strenuous schedule. Learning to balance school, practice, work, and other extra curricular activities will be challenging, but our members continue to successfully meet those challenges.

As an alumni, I know what it takes to be a Demon Dazzler and I will work tirelessly with its members to make the transition to a collegiate team a success. It is an honor to direct the NSU Demon Dazzlers.

"To thee, our Alma Mater, Loyalty!"
