Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.
Give Form W-4 to your employer.
 Your withholding is subject to review by the IRS.

2025

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3-4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000	\$ _____	
	Multiply the number of other dependents by \$500	\$ _____	
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$ _____
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$ _____
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c)	\$ _____

Step 5: Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$30,000 if you're married filing jointly or a qualifying surviving spouse; \$22,500 if you're head of household; \$15,000 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

Employee Withholding Exemption Certificate (L-4)

Louisiana Department of Revenue

Purpose: Complete form L-4 so that your employer can withhold the correct amount of state income tax from your salary.

Instructions: Employees who are subject to state withholding should complete the personal allowances worksheet indicating the number of withholding personal exemptions in Block A and the number of dependency credits in Block B.

- Employees must file a new withholding exemption certificate within 10 days if the number of their exemptions decreases, except if the change is the result of the death of a spouse or a dependent.
- Employees may file a new certificate any time the number of their exemptions increases.
- Line 8 should be used to increase or decrease the tax withheld for each pay period. Decreases should be indicated as a negative amount.

Penalties will be imposed for willfully supplying false information or willful failure to supply information that would reduce the withholding exemption.

This form must be filed with your employer. If an employee fails to complete this withholding exemption certificate, the employer must withhold Louisiana income tax from the employee's wages without exemption.

Note to Employer: Keep this certificate with your records. If you believe that an employee has improperly claimed too many exemptions or dependency credits, please forward a copy of the employee's signed L-4 form with an explanation as to why you believe that the employee improperly completed this form and any other supporting documentation. The information should be sent to the Louisiana Department of Revenue, Criminal Investigations Division, PO Box 2389, Baton Rouge, LA 70821-2389.

- Enter "1" to claim yourself if you did not claim this exemption in connection with other employment, or if your spouse has not claimed your exemption. Enter "1" to claim one personal exemption if you will file as head of household.
- Enter "2" to claim yourself and your spouse.

A.

Block B

- Enter the number of dependents, not including yourself or your spouse, whom you will claim on your tax return. If no dependents are claimed, enter "0."

RE: Policy Statement

Northwestern State University proposes to provide a safe and efficient work environment for NSU employees. The full support of each employee is essential for the effectiveness of this safety program. Each employee has an obligation to cooperate fully by helping to protect himself/herself, as well as their fellow employees. This can only be achieved through safe and efficient practices. It is imperative that work place hazards be identified, appropriately evaluated, and effectively controlled.

It is Northwestern State's objective to follow federal, state, and local codes, in addition to our own policies in order to maintain safe and healthy conditions in the workplace. Individual employees are responsible for immediately reporting potentially unsafe conditions and work practices to his/her immediate supervisor.

Supervisors are accountable for training their employees to report unsafe actions, incidents and accidents immediately. Supervisors are also responsible for reporting all accidents and/or incidents to University Police, **AS WELL AS** the Environmental Health & Safety Office **IMMEDIATELY** (day, night, holidays and weekends). Contact information for the EHS Office will be listed below.

Re-enforce with employee the need to maintain and not compromise security systems by duplicating or "loaning" their personal keys and codes, and to notify Campus Police (911) for any emergency situation including theft, fire and medical emergency.

12. Blood Borne Pathogens

A discussion of blood borne diseases should be conducted with all new employees to ensure their understanding.

The O.S.H.A. blood borne disease standard requires that "only trained personnel clean and disinfect body fluid contamination." All other personnel should barricade the area until these personnel arrive. If an individual is exposed to bloody body fluids, wash with soap and water immediately, report to the supervisor, and the employee should be referred to the University Police Department to complete a report of the incident. In all cases, treat spilled body fluids as if they were a hazardous material and refrain from touching or spreading the material until proper personnel arrive to decontaminate and remove. Specific staff are trained to clean blood borne pathogens spills.

13. Fire Drill / Building Evacuation Policy

This is the information that will be needed should a fire drill or building evacuation is needed in any building on campus. Fire Drills occur in administrative, athletic and academic buildings on an annual basis. Fire Drills in on-campus housing occur each semester. Please participate in all drills, so that you will know what to do when an actual emergency happens.

14. Tobacco Free Policy

NSU is a Tobacco Free University. Smoking is prohibited by state in accordance with Act No. 211 of the 2013 State Legislative Session and Louisiana Revised Statute 40:1300.263. All public post-secondary institutions shall be smoke free and nothing shall prohibit a public post-secondary institution from developing a tobacco free policy on its campus. The tobacco free university includes all property, and vehicles owned or leased by Northwestern State University, and all indoor and outdoor athletic facilities.

19. Transitional Return to Work Policy

Effective Date: July 1, 2018 with *revisions on February 26, 2020*

Responsible Office: Human Resources

Program Purpose: As the health, well-being, and safety of all employees at Northwestern State University (from this point forward referred to as the *University*) are primary goals, the *University* has developed, in compliance with R.S. 39:1547, a *Transitional Return to Work (TRW) Policy*. This plan has been designed with the following objectives in mind:

- To provide the earliest possible safe return to work after an occupational injury or illness;
- To provide employees more options in returning to work, as opposed to waiting for a full duty release;
- To retain qualified, tenured employees; thereby using their expertise and training;
- To facilitate a safer work environment by assuming more responsibility for injured workers; and
- To reduce medical costs of worker's compensation claims due to extended work absences.

Program Framework: To qualify for the program, in addition to being off work due to a work-related injury or illness, the employee must be receiving worker's compensation and have their attending physician's approval to return to transitional duties/work. If the employee meets these criteria, the University will make reasonable efforts to place the returning employee in a meaningful assignment while on temporary limited/light duty. Placement is NOT guaranteed, as the University is not obligated to offer, create, or encumber a position for the sole purpose of placement. Final placement decisions are made by the University's appointing authorities.

If a transitional duty is offered until the employee can return to full duty, it must be offered for the length certified by the attending physician/other provider but for no longer than one (1) year. Also, the physician/provider must delineate the physical restrictions and job duty constraints. Once this information has been obtained, the first priority for placement is within the employee's unit. The second priority, obviously, is in another unit of the University.

Should a program-eligible employee refuse an accommodation or reassignment, the University is not obligated to provide another alternative. This refusal must be made in writing by the employee and submitted to the Environmental Health & Safety Officer, who will communicate with the Office of Risk Management (ORM) for appropriate action. This action may include termination.

Additionally, the *TRW Policy* is not meant to interfere with Americans with Disabilities Act (ADA). Supervisors of those employees requesting a reasonable accommodation should contact:

Veronica M. Biscoe
Executive Director, Institutional Effectiveness & Human Resources
Northwestern State University
Natchitoches, LA 71497
318-357-6359
ramirezv@nsula.edu

Program Responsibilities: A team approach for the *TRW Policy* is expected for both the employee and the University to benefit and be successful. The Transitional Return to Work Team (Team) consists of representatives from Human Resources, Environmental Health & Safety, and the affected departmental supervisor. This group also will work with the Office of Risk Management-Workers' Compensation Division to determine which employees on worker's compensation might be eligible for the program. The intent of the Team is to review all cases of employees who are off duty as a result of a work-related injury or illness with the goal of returning said employee to productive work as soon as possible.

The Team will be responsible for developing a tracking system in order to determine the effectiveness of the program. A report including number of work-related injured/ill employees, along with the number of associated lost time (days) will be reported monthly to the Office of Risk Management.

Below are the responsibilities of those involved in this process.

CREDIT UNION FOR NORTHWESTERN STATE UNIVERSITY EMPLOYEES

In the Spring of 1972 the Faculty Senate voted to endorse the Louisiana Capitol Federal Credit Union, a non-profit organization established for Louisiana State Employees. The Credit Union has been in existence for over 50 years.

Northwestern State University provides the service of payroll deduction for employees who want to repay a loan or save by this method. No indication is made on the payroll deduction form whether the deduction is for savings or loans, thus providing confidentiality.

Requests for information about membership in the Credit Union should be directed to:

FRAUD AND ILLEGAL ACTS

Northwestern State University has written policies and procedures and other actions in place that addresses fraud and illegal acts. Fraud encompasses an array of irregularities and illegal acts characterized by intentional deception, deceit, concealment of material facts, false suggestions, suppression of the truth, or other unfair means which can be committed by individuals which could benefit themselves and/or others. Fraud is illegal and can be very expensive in terms of monetary losses, loss of public trust, negative publicity, and potential litigation. It is imperative that all employees strive toward the prevention of fraud at the University.

The statement of Auditing Standards (SAS) No. 99 identifies risk factors and conditions that will place employees in a better position to recognize situations which are associated with the commission of fraudulent acts. The commission of a fraudulent act is typically associated with a pressure to commit the act, a perceived opportunity to get away with the act, and an attitude that rationalizes the act.

While no organization is exempt from fraud, steps can be taken to deter the occurrence of fraud and mitigate loss. Northwestern State University is committed to making their employees aware of fraud and illegal acts by properly educating employees about fraud, fraud awareness, and consequences of fraud. Employees must become aware of what constitutes fraud and be able to identify risk factors and/or conditions associated with fraud. Properly educating employees on misconceptions associated with fraud will go far in the prevention and detection of fraud. University employees who commit fraud acts are subject to consequences and disciplinary actions being taken against them.

Information on fraud and illegal acts can be found as follows:
