NSU ART CAMP 2025

Session 1: **Tall Tales!**

Ages: 5-11

Dates: June 2nd-6th 45 spots available

This week is about the kids! We will investigate American Folklore greats like Paul Bunyan & Babe the blue ox, Pacos Bill, Johnny Appleseed and many more. It will be a blast, we will create some great art reproductions in a Minecraft or Lego style they will love to have on their wall.

Session 2: **Medieval Madness**

Ages: 5-11

Dates: June 9th-13th 45 spots available

What kid doesn't like, knights, princesses and dragons? This week we will do projects like making some cardboard armor, magic wands and crowns fancy enough to suit real royalty. It promises to be great fun!

Session 3: **Advanced Projects for Teens**

Ages: 12-18

Dates: June 16th-20th 25 spots available

This week is designed for older kids looking to learn advanced art skills. We will work on larger projects throughout the week, and they will be able to choose form among laser engraver/cutter, 3D printing, painting, carving, printmaking and more. These projects will be weeklong projects taught by two NSU Art Professors, similar to the projects taught in classes at NSU.
