Shipping: Same-day shipment subject to order size limitations, Dell standard shipping methods and payment via credit card or gift card. Notification will be provided if there are payment delays which could impact shipping date. Electronics and accessories may ship separately.

Smart Selection: Limited quantities. Only available for orders placed by 5:59 p.m. CT Mon.–Thurs. Systems shipped the next business day after an order is placed. Subject to order approval. Software and accessories not part of the configuration will be shipped separately and may arrive after your system. Please note that Smart Selection Configuration pricing cannot be combined with other pricing offers or discounts provided or agreed to by Dell. Orders with Custom Factory Integration might require additional processing time.

Pricing: The pricing available on this site is Dell's pricing for online purchases only. No discounts apply to Dell's online pricing other than the savings listed on this site. Any promotional savings listed on this site are referenced off the Estimated Value of the applicable product or service, unless otherwise stated. "Estimated Value" is Dell's estimate of product value based on industry data, including the prices at which third-party retailers have offered or valued the same or comparable products, in its most recent survey of major online and/or off-line retailers. Third-party retailer data may not be based on actual sales. If you have contractual terms with Dell that refer to list pricing, please contact your Dell sales representative to obtain information about Dell's list pricing. "Best/Lowest Price of the Year" claims are based on calendar year-to-date price.

On-site Service or Advanced Exchange Service after remote diagnosis: On-site Service after remote diagnosis is determined by the online or phone technician, and may involve customer access to the inside of the system and multiple extended sessions. If the issue is covered by the Limited Hardware Warranty and cannot be resolved remotely, the technician and/or replacement part will be dispatched, usually in 1 or 2 business days, following the completion of the remote diagnosis. The customer must return the original hardware to Dell according to the rules specified. On-site service is provided by Dell Marketing L.P; Availability varies. Other conditions apply. Advanced Exchange Service replaces hardware after remote diagnosis. The customer must return the original hardware to Dell according to the rules specified. Advanced Exchange Service is subject to country availability. For complete details about On-site Service or Advanced Exchange Service, see dell.com/servicecontracts
