## ADVISEMENT

NSU highly encourages all students to seek advisement through their major department. Go to the **NSUConnect** or **Degree Works** system via **myNSU** to see the name of your assigned academic advisor. Report to the department of your major if you need to change your advisor.

**Alternate PIN:** The following groups of students must meet with their academic advisor (in person or via telephone or email) to obtain an alternate PIN before they will be permitted to register by **NSUConnect** for the fall 2026 semester:

- All undergraduate students with less than 30 earned and currently registered hours;
- All students with 30 or more earned and currently registered hours with a cumulative GPA below 2.25;
- All Scholars' College students;
- All student athletes;
- Social Work (274) majors with fewer than 60 hours; and

## DEGREE WORKS

### What is Degree Works?

Degree Works is a Degree Audit System that is available to NSU undergraduate students. The Degree Works audit is an advising tool that shows a student's progress towards his/her degree. Students can access the Degree Works system through myNSU at <https://my.nsula.edu> for the degree program(s) in which they are enrolled or perform a "What If" for degree programs in which they are interested. Degree Works takes the guesswork out of selecting courses for future enrollment.

### How to use the Degree Works system:

Go to the following link at <https://www.nsula.edu/registrar> for instructions on how to use the Degree Works for students.

### What does Degree Works Show?

The Degree Works system provides a degree evaluation that is personalized for each undergraduate student. Your Degree Works evaluation is a guide to help you create your educational plan and allows you to keep track of all the degree requirements for graduation. On your degree evaluation, you will see every requirement for your major(s), concentration(s), and minor(s) that you must complete in order to graduate from NSU. In addition, you will see which requirements you have already successfully completed, requirements that are in progress, and any requirements that are still outstanding. Students should use their Degree Works degree evaluation every semester when selecting courses for the upcoming term, as well as when making long-term, semester-by-semester graduation plan. Students can print a copy of their degree audit evaluation and take it with them when they go to see their academic advisors.

A degree audit is an academic advising tool and is not an official degree certification. A degree audit should be used in conjunction with the University Catalog and regular meetings with your academic advisor. If you have questions concerning your degree audit, contact your academic advisor or your academic dean.

## ALTERNATE PIN

The alternate PIN allows students to access the registration drop/add services on the **NSUConnect** system. Once a student accesses **NSUConnect** via **myNSU** and selects the Registration Drop/Add Class option, he/she is required to enter the alternate PIN before the system will allow registration functions.

The alternate PIN is a randomly generated six-digit number that is unique to the student. Additionally, the alternate PIN is term specific. For example, a student's alternate PIN for fall will be different from the alternate PIN for spring.

### DEPARTMENTAL OFFICE HOURS
