Instructions for Direct Unsubsidized Loan Only Form

For the Financial Aid Office to be able to process your request to be considered for a Direct Unsubsidized Loan Only, you need to complete this form and provide a statement from your parent(s).

A statement can be handwritten or typed out, but it must include a physical signature from your parent(s) and the date that it was completed. A physical signature is completed in black ink or via a stylus on an electronic device; we cannot accept a typed name or cursive font as a signature.

If your parents are married, or living together, then they both need to confirm they will either refuse to contribute information to your FAFSA or that they have ended all financial support. Please provide the completed statement with your completed form for review and to continue the process of your financial aid.

Your parent(s) can follow the wording of the following two examples.
