

Assessment - Fundamentals

Student Learning Outcomes: specify what students will know, be able to do, or be able to demonstrate when they have completed/participated in the program, course, project or activity.

Service Outcomes: specify what an organization intends to do, achieve, or accomplish through certain activities or experiences (what a program accomplishes for its students, faculty/staff or institution).

Specific – Measurable – Attainable - Results-Oriented - Time-Bound

Measure: Combines methodology and target. Designed to directly measure what a participant knows or is able to do. It requires demonstration of the skill or knowledge, such as write an essay).

Finding: Binary – met or not met

Analysis: Start with last years finding and why. As a result, what was done differently this year to improve. What are the findings for this year.

Decision: Based on this years results what will be done differently next year to improve/plan.
