

Student Technology Fee
Infrastructure Request Form
Fiscal Year 2019-20
Northwestern State University of Louisiana

ALL BLANKS MUST BE FILLED COMPLETELY

Prepared by: _____ STAT _____ For: _____ Campus Community _____

Department/Unit: _____ STAT _____ College: _____ NSU _____ Campus: _____ NSU _____

Which NSTEP Goals/Objectives does this project meet? _____ 1,2,3,6,8 _____

Proposal Requested Amount: \$ _____ 327,896.85 _____ Budget Attached (circle one): YES/NO

1. Describe target audience.

All students enrolled through Northwestern State University. This equipment will be utilized for all Northwestern State University campuses.

2. Describe project/initiative for which you are requesting funds.

To purchase switchgear and wireless equipment to upgrade the current infrastructure.

3. State measurable objectives that will be used to determine the impact/effectiveness of the project.

To purchase switchgear equipment to upgrade the current infrastructure.

4. Indicate how each project objective will be evaluated.

The effectiveness of the items purchased will be measured by student usage.

5. If funded, which NSTEP <http://www.nsula.edu/nstep/NSTEP.pdf> objective(s) will this funding of this project advance. How will funding of the project advance the University and College/unit technology plan?

Objectives 1 – 9 will be enhanced.

6. Provide a justification for funding of this project. Estimate the number of student that will be served per academic year and in what ways. Please indicate also any unique needs of the target group.

This project will directly affect numerous students. The upgrade will enhance student usage and assist the campus community with connectivity

7. List those individuals who will be responsible for the implementation of the project/initiative and indicate their demonstrated abilities to accomplish the objectives of the project.

Jennifer Long, Instructional Technology – will serve as project manager

8. Describe any personnel (technical or otherwise) required to support the project/initiative.

Instructional Technology along with the ITS department will be provide all technical support necessary.

9. Provide a schedule for implementation and evaluation.

Funding – October
Purchase – October/November
Installation – Spring Semester

10. Estimate the expected life of hardware and software. Explain any anticipated equipment/software upgrades during the next five years.

The equipment has a life span of 5 years.

11. Explain in detail a plan and policy that will be in place to ensure property security/controls for any equipment received through a Student Technology Fee.

If you are requesting equipment that will be either/or checkout to students or moved within the department, you must provide a checkout/loan policy.

The department will adhere to policies in place by the university.

12. Attach a detailed budget.

Department	Description	Cost/Each	Amount
Storage System San	san storage	\$ 32,000.00	\$ 32,000.00
Transech	storage	\$ 8,251.79	\$ 8,251.79
Veeam One	Storage license	\$ 2,649.40	\$ 2,649.40
