**Student Technology Fee  
Funding Request Form  
Special Initiative Fiscal Year 2006-07  
Northwestern State University of Louisiana**

**This document will not be accepted without complete information, detailed budget, specifications of each piece of equipment requested and pricing.**

Prepared by: *Shantel Nempert* For: Campus Wide Initiative

College: Campus Community Campus: NSU-Natchitoches Department: Campus Community

Where will requested equipment be located/installed/housed: Bldg.: Selected buildings Room: N/A

Are property policies and procedures in place by the department for equipment requested. Yes

Delivery to the Student Technology office located in Watson Library, Room 113. Date \_\_\_\_\_

<p>1. Describe target audience.</p> <p>All students on the Natchitoches campus, and all individuals who enter the buildings and need access to myNSU.</p>
<p>2. Describe project/initiative for which you are requesting funds.</p> <p>To purchase Kiosk to be located in the following locations: Wellness Center, TEC, Student Union, Iberville, Bienvenu and CAPA. The Kiosk will only be accessible to students enrolled at NSU. Software will be installed on the Kiosk will be only allow on-campus websites.</p>
<p>3. State measurable objectives that will be used to determine the impact/effectiveness of the project.</p> <p>To make technology available for students on the run, the Kiosk's will be located at different locations across the campus for fast access to their myNSU information.</p>
<p>4. Indicate how each project objective will be evaluated.</p> <p>The effectiveness of the Kiosk will be measured by student usage per machine.</p>
<p>5. Provide a justification for funding of the project. Estimate the number of students that will be served per academic year and in what ways. Please indicate also any unique needs of the target group.</p> <p>This project will directly affect all students at Northwestern State University. The Kiosk will be used by all students entering a building that will house a system.</p>

6. If funded, which NSTEP (<http://www.nsula.edu/nstep/NSTEP.pdf>) objective will this funding of this project advance. How will funding of the project advance the University and College / unit technology plan?

This purchase will fulfill the following NSTEP objectives:

Objective 1: To improve access to technology by students, faculty, and staff at Northwestern State University.

Objective 3: To upgrade student technology laboratories with modern technology.

Objective 8: To encourage innovation and research.

7. List those individuals who will be responsible for the implementation of the project/initiative and indicate their demonstrated abilities to accomplish the objectives of the project.

Jennifer Long-Martin, Student Technology – will serve as project manager

Gary Gatch – Information Systems – activation of network ports

8. Describe any personnel (technical or otherwise) required to support the project/initiative.

Once the equipment is purchased and installed, Student Technology will provide technical support for the Kiosk.

9. Provide a schedule for implementation and evaluation.

Funding – August

Purchase – September

Installation – October

Equipment should be available for student viewing by the end of the semester.

10. Estimate the expected life of hardware and software. Explain any anticipated equipment/software upgrades during the next five years.

The hardware should have a life span of at least 5 years.

11. Explain in detail a plan and policy that will be in place to ensure property security/controls for any equipment received through Student Tech Fee.

The equipment will be bolted to walls in each building. The equipment will be in viewing site of building managers.

12. Attach a detailed budget, including: specs., description, cost, state contract number, and vendor for each item; cost of outside support personnel; and a description of how the proposal will support University/College/unit resources (i.e., cash match, funds from other sources, or reallocation of existing hardware/software or other equipment. All of the information requested must be attached or the request will not be accepted.

10 – Enterprise Kiosk Models (quote)	\$27,037.00
Network (quote)	\$ 1,050.00
Electrical (estimate)	<u>\$ 2,000.00</u>
Total	\$30,087.00

13. Attach a letter of support for the project signed by the requesting unit's Dean, the appropriate Vice President (for non-academic units), or the SGA President from the requesting campus (for student requests).

Attached.

Quote number: 14588

Category	Item	Description

August 23, 2006

As the currently serving SGA President, I fully support the Kiosk grant. Students will now be able to check their course documents and email on their way to class or while in various locations around campus. This will be beneficial to all students on campus. Students today can keep track of their schedules and homework via the internet. The kiosks will give students a place to check their information when they are on the go.

Regards,

Shantel M. Wempren  
President  
Student Government Association
