**Importance:** High

If we move forward then I move to approve all for full amounts, and to approve them in bulk.

Thank you,

Garrett Pierce

It seems we may have an issue with everyone making the STAT meeting on the 8<sup>th</sup> because of finals and scheduling conflicts. Would the committee consider approving the purchase of the three (3) new compressed video room equipment electronically. I have provided the quotes for the equipment, the price is for one system so times by 3. Please let me know how all of you feel about moving forward.

Thanks.
