

Student Technology Fee
Special Initiative Request Form
Fiscal Year 2014-15
Northwestern State University of Louisiana

ALL BLANKS MUST BE FILLED COMPLETELY

Prepared by: _____ STAT _____ For: ___ Campus Initiatives _____

Department/Unit: _____ College: ___ NSU _____ Campus: _ NSU Community

Which NSTEP Goals/Objectives does this project meet? _____ 1 - 10 _____

Requested equipment will be located/installed/housed? Building _____ Room _ NSU _

Are department property policies and procedures in place for requested equipment? ___ Yes _____

Which individual will be responsible for property control of the requested equipment?

Signature: _____ Date: _____

Proposal Requested Amount: \$ _____ 342,515.26 _____ Budget Attached (circle one): YES/NO

Proposal delivered to Student Technology located in Watson Library, Room 113. Date _____

The proposal must include all specifications, description, model number, quotation, cost, state contract number, and vendor for each item. If the proposal does not include all requested information, it will be returned to requestor.

1. Describe target audience.

All students enrolled through Northwestern State University

2. Describe project/initiative for which you are requesting funds.

To purchase equipment to be used by and for all NSU students.

3. State measurable objectives that will be used to determine the impact/effectiveness of the project.

The equipment will directly impact all students on the Natchitoches, Shreveport and Ft. Polk Campus. This initiative will also benefit on-line students.

4. Indicate how each project objective will be evaluated.

The effectiveness of system will be evaluated by the students on and off campuses in the academic coursework.

5. If funded, which NSTEP <http://www.nsula.edu/nstep/NSTEP.pdf> objective(s) will this funding of this project advance. How will funding of the project advance the University and College/unit technology plan?

Objectives 1 – 10 will be enhanced.

6. Provide a justification for funding of this project. Estimate the number of student that will be served per academic year and in what ways. Please indicate also any unique needs of the target group.

This project will directly affect all students on all NSU campus to better prepare them for coursework related technologies.

7. List those individuals who will be responsible for the implementation of the project/initiative and indicate their demonstrated abilities to accomplish the objectives of the project.

Jennifer Long, Student Technology – will serve as project manager

8. Describe any personnel (technical or otherwise) required to support the project/initiative.

Student Technology will be provide all technical support necessary.

9. Provide a schedule for implementation and evaluation.

Funding – September

Purchase – September/October

Installation – Fall/Spring Semester

10. Estimate the expected life of hardware and software. Explain any anticipated equipment/software upgrades during the next five years.

The hardware should have a life span from 5 years.

11. Explain in detail a plan and policy that will be in place to ensure property security/controls for any equipment received through a Student Technology Fee.

If you are requesting equipment that will be either/or checkout to students or moved within the department, you must provide a checkout/loan policy.

The department will follow policies and procedures in place by the university.

12. Below is a detailed budget.

Department	Description	Cost/Each	Total
University Grants	Campus Community	\$200,000.00	\$200,000.00
Replacement of Messaging Monitors	Campus Community	\$20,149.89	\$20,149.89
Mobile Charging Stations	Charging stations	\$40,779.60	\$40,779.60
SMART classrooms	SMART classrooms (PE/TEC)	\$81,585.77	\$81,585.77
		Total	\$342,515.26

Subject: ChargeAll Phone Charging Stations and Kiosks

Thank you for your inquiry regarding our ChargeAll CK5 phone charging kiosk. Manufactured and engineered in France/USA, the CK5 is the most advanced phone charging kiosk in the world. It features secure locking doors, a robust advertising platform, fast charge/inductive wireless charging, the ability to create customer surveys/questionnaires, stream video advertisements and remotely manage the unit. Simply put, it's so reliable that we offer 365/24/7 support. It's the perfect, high end phone charging kiosk that you can rely on.

All types of businesses can benefit from its use, whether as a revenue generating vending machine platform or free customer service advertising platform. Pricing starts at \$9,495 for our top of the line CK5 secure phone charging locker unit.

Be sure to check out our much more popular ChargeAll Wall Mounted WM8 and Power Stand S8 phone charging kiosk stations that start at only \$249. You could literally buy forty units for the price of just one kiosk and place them throughout the entire venue.
