Mission

Northwestern State University is a responsive, student-oriented institution that is committed to the creation, dissemination, and acquisition of knowledge through teaching, research, and service. The University maintains as its highest priority excellence in teaching in graduate and undergraduate programs.

Northwestern State University will prepare its students to become productive members of society and will promote economic development and improvements in the quality of life of the citizens in its region.

Vision

Northwestern State University strives for educational quality through excellence in teaching and research, innovative uses of technology, and exceptional service to students and other constituencies.

The University seeks to attract and develop outstanding students and faculty and to provide them with the resources needed to promote optimal learning and service.

By maintaining a student-oriented environment, Northwestern will offer challenging and rewarding academic experiences augmented and enriched with opportunities for cultural, social, athletic, and other extracurricular activities. The essence of this student-oriented environment will be the University's commitment to create a cooperative atmosphere in which faculty, staff, and students treat each other with dignity and respect and recognize the value and worth of all individuals.

Electronic learning and distance education will be an integral part of Northwestern's role in delivering degree programs and effective services on campus and throughout Louisiana, the nation, and the world.

Northwestern will be responsive to changing views and trends as it works to provide a highly-qualified workforce to promote economic development and to meet the needs that higher education can provide to students, state government, private enterprise, and society.

Values

Northwestern recognizes the value of all individuals and strives to create a climate in which faculty, staff, and students treat each other with dignity and respect in an effort to provide students the opportunity to achieve success. The University's desire is to retain and graduate students who are satisfied with, and motivated and enriched by, the quality of education and services that they receive at Northwestern.

Goals

- To create an environment that supports individual efforts toward academic, career, social and civic success.
- To make Northwestern State University the premier regional university in the state.
- To work together and create an environment of excellence.
- To develop and enhance relationships which are mutually beneficial to both the university and its stakeholder(s).

History of NSU

Northwestern State University of Louisiana stands on ground that has been dedicated to learning for well over a hundred years. Prior to the Civil War a portion of the present campus was the property of the Bullard family of Natchitoches. As early as 1856 the Bullard mansion was in use as a convent by the Religious of the Society of the Sacred Heart. The following year a school building was erected at the convent, and in 1884 the property was purchased by the town and parish of Natchitoches. Three of the four great white columns that once supported the east gable of the Bullard mansion still stand on "The Hill" and often serve as the unofficial symbol of the University.

The State Legislature by Act 51 of 1884 created a Louisiana State Normal School for the preparation of teachers. A member of the Legislature, Leopold Caspari, offered the convent site as a campus for the School with the anticipated approval of the citizens of Natchitoches. The offer was accepted, and from 1885 to 1918 the Normal School offered two years of study for the training of teachers. Baccalaureate programs were then inaugurated, and the State Constitution adopted in 1921 changed the name of the school to Louisiana State Normal College.

The resources and curricula of "Normal" grew steadily to meet the increasingly diverse requirements of Louisiana's expanding population. In 1944 the institution's excellent service in its broader role was accorded formal recognition in Act 326 of the Legislature, which changed its name to Northwestern State College of Louisiana.

Northwestern maintained and strengthened its long tradition of leadership in public service and academic endeavor and became, in 1954, the first college under the jurisdiction of the Louisiana State Board of Education to offer the Master's degree. The Educational Specialist degree was first offered in 1966.

On June 18, 1970, Governor John J. McKeithen signed the legislative act which brought the old school its greatest distinction by changing its title to Northwestern State University of Louisiana.

In 1980 the old campus quadrangle where the columns stand was entered into the National Register of Historic Places under the title "Normal Hill Historic District."

In 1984 Northwestern State University celebrated its Centennial with lectures, concerts, social events, and an effective fund raising effort that established the Centennial Development Fund. In addition to the main campus in Natchitoches, the University maintains full-service campus centers in Shreveport, Leesville, and Alexandria and offers instruction at eight continuing education sites in the central and northwest areas of the state

NOTE: New ethnicity and race codes were fully implemented in Fall 2010. As a result, two new categories were created: Native Hawaiian or Other Pacific Islander and Two or More Races. Prior to Fall 2010, the "Asian" category should be considered Asian or Pacific Islander. The "Other Minorities" category was discontinued a number of years ago.

Note: The method used to determine home state/home country is as follows:

1) Define "Other Countries" as all students who have a home country present that is not equal to the US.

2) Define "Other States" as all students who have a home state present that is not LA or TX and a home country that is equal to US or Students who have a US citizenship.

3) Define "Louisiana" and "Texas" as all students who have a home state present equal to LA or TX and a home country equal to US.

4) For any remaining students, ascertain home state and home country using first high school state, then permanent address state, and finally local address state. Determine accordingly based on the three preceding rules.

Note: A student may not be admitted for the following reasons: referred, withdrew application before admittance, missing requirements, wait list, and not referable. Admits do include those applicants who withdrew their application after admittance.

*Students may or may not be enrolled in the major of their application as of the 14th class day.

**New students include entering freshmen, entering sophomores/juniors, transfer students, and new graduate students (GD, GN, or GT). The difference between the # of new students and the # of enrollees is the fact that new students excludes preparatory, special admit, readmit, and graduate readmit students and includes continuing entering freshmen from the summer.

On-Campus Housing Policy

According to the rules of the Board of Supervisors of the University of Louisiana System, an unmarried full-time undergraduate student is required to live on campus if space is available, unless exempt by the University for good and reasonable cause. The University Administration has a responsibility to adhere to the policies of its governing body. Therefore, the University requires an unmarried full-time undergraduate student desiring to reside off campus to receive prior approval and to:

1) Live with a verifiable family member (substantiated by statement from parent or guardian).

2) Be classified as military veteran (documented by Form DD214).

3) Reside in a property owned by student or student's family (substantiated by statement from parent or guardian).

4) Have a significant medical problem (documented by physician's statement, which specifically states the condition, which precludes a student from residing in a residence hall).

5) Have a significant financial hardship (documented by notarized statement from parents indicating their contribution to cost of student's university expenses, itemized statement from student indicating funds available for expenses and anticipated expenses, copy of student's university expenses and a copy of student's W-2 form for preceding year).

6) Be 21 years of age or older

7) Have resided on campus for six semesters.

8) Be married, divorced (as documented by marriage license or divorce decree) or in guardianship of a dependent child (as documented by a legal documentation).

9) Be classified as a senior (90 or more earned semester hours).

10) Suffer other significant hardships if required to reside on campus (as documented by a parent or guardian, counselor, academic dean or advisor).

OFFICE OF SPONSORED PROGRAMS

MISSION:

The mission of Northwestern State University's Office of Sponsored Programs (OSP) is to nurture and develop the sponsored-programs enterprise at NSU, in accordance with the University's overall mission.

SERVICES:

OSP provides information and services to NSU faculty members in several areas:
- Funding Opportunities (Federal, State, Local, and Private)
- Sponsored Programs Guidelines
- Proposal Preparation
- Budget Preparation
- University Review
- Proposal Transmittal
- Grants Management
- Contract Review and Negotiation with Sponsors
- Grant Budget Modifications
- Project Reporting
- Project Termination
- Human Subjects Research Approval
- Other Compliance Matters
- Workshops
- InfoEd

NSU's Office of Sponsored Programs is dedicated to providing state-of-the-art information, advice, and assistance to faculty and staff relative to all sponsored-programs matters/issues and continuously seeks ways to improve the processes and services it provides. The University encourages its faculty to undertake sponsored, scholarly activities as a means of (a) offering modern instructional programs to students and (b) enhancing the academic stature of the faculty and the University.

Military Science Information

With an agreement signed between Northwestern State College and the Department of the United States Army, an anti-aircraft field artillery unit of the Reserve Officers Training Corps was established in the fall of 1950. In August 1950, the building to house the ROTC unit was authorized.

The new military science program, under President Prather, enrolled its first students in the fall of 1950 with one officer and five enlisted men on the staff. By the end of the 1950-51 academic year 220 men had selected military training and the future of the program looked promising.
In 1965, NSC under President Kyser signed an agreement with the department of Army stating that the Military Science Senior ROTC program would be provided with a university secretary, armory, and utilities.
The NSU ROTC Department and the Joint Readiness Training Center at Fort Polk, Louisiana mutually support Cadet Command by identifying quality soldiers with officer potential and in assisting them in transition from active duty under the college ROTC Green to Gold program.

The NSU ROTC Demon Battalion has commissioned over 1000 Second Lieutenants in to the United States Armed Services. Quite a few graduates have become distinguished Army Officers, including several General Officers.

A Hall of Fame was begun in 1983. Portraits and biographies of the Hall of Fame members are on permanent display in the ROTC office foyer.

Notably, five NSU ROTC commissioned officers have been inducted into NSU's highest Hall of Distinction, the Long Purple Line.
