

Areas of Concentration

Adult-Gerontology Primary Care Nurse Practitioner (AGPCNP)

The Adult-Gerontology Primary Care Nurse Practitioner clinical sequence has one functional area: Role of the Nurse Practitioner. Students who pursue the Adult-Gerontology Primary Care Nurse Practitioner sequence will take the MSN core courses, four clinical courses, clinical practicums, role courses, an advanced assessment course, and Pharmacotherapeutics, in addition to, a course in Family Dynamics. The sequence of studies requires a minimum of 42 credits and leads to the MSN degree. In addition, Adult-Gerontology Primary Care Nurse Practitioner graduates will be eligible to apply for the American Nurses Credentialing Center (ANCC) Adult-Gerontology Primary Care Nurse Practitioner certification examination, the American Academy of Nurse Practitioners' Adult-Gerontology Primary Care Nurse Practitioner certification examination, and for other examinations as deemed appropriate by certifying bodies. This clinical sequence will prepare Advanced Practice Nurses in adult-gerontology nursing practice who can function in primary care settings with people ages 16 through the end of the life cycle. Nurse practitioner students will complete a professional paper in lieu of thesis.
