List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

THIS PAGE INCLUDES:

>> [Program Information](#)

Program Information

List each teacher preparation program included in your alternative, ihe-based route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at <https://www2.ed.gov/programs/tqpartnership/awards.html>.

Teacher Preparation Programs	Teacher Quality Partnership Grant Member?	Update
Certification Only Program-Music Education (grades K-12) in Instrumental	No	
Certification Only Program-Music Education (grades K-12) in Vocal	No	
MAT Early Childhood Education (Grades PK-3)	No	
MAT Elementary Education & Special Education Mild/Moderate (Grades 1-5)	No	
MAT Elementary Education (Grades 1-5)	No	
MAT Middle School Education & Special Education Mild/Moderate (Grades 4-8): Concentration in English	No	
MAT Middle School Education & Special Education Mild/Moderate (Grades 4-8): Concentration in Math	No	
MAT Middle School Education & Special Education Mild/Moderate (Grades 4-8): Concentration in Science	No	
MAT Middle School Education & Special Education Mild/Moderate (Grades 4-8): Concentration in Social	No	
MAT Middle School Education (Grades 4-8)-Concentration: English	No	
MAT Middle School Education (Grades 4-8)-Concentration: Mathematics	No	

Total number of teacher preparation programs: 42

Program Requirements

THIS PAGE INCLUDES:

- >> [Admissions](#)
- >> [Undergraduate Requirements](#)
- >> [Postgraduate Requirements](#)
- >> [Supervised Clinical Experience](#)

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Postgraduate

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

- Yes
 No

3. Provide a link to your website where additional information about admissions requirements can be found:

<https://tlc.nsula.edu/office-of-teacher-certification/>

4. Please provide any additional information about or exceptions to the admissions information provided above:

Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. ([§205\(a\)\(1\)\(C\)\(i\)](#))

1. Are there initial teacher certification programs at the undergraduate level?

- Yes
 No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the rest of the page blank (or [clear responses already entered](#)) then click save at the bottom of the page.

Element	Required for Entry	Required for Exit
Transcript	<input type="radio"/> Yes <input type="radio"/> No	<input type="radio"/> Yes <input type="radio"/> No

Element	Required for Entry	Required for Exit

2. What is the minimum GPA required for admission into the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

3. What was the median GPA of individuals accepted into the program in academic year 2017-18?

4. What is the minimum GPA required for completing the program? (Leave blank if you indicated that a minimum GPA is not required in the table above.)

5. What was the median GPA of individuals completing the program in academic year 2017-18?

6. Please provide any additional information about the information provided above:

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2017-18. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

[Additional guidance on reporting supervised clinical experience and nonclinical coursework.](#)

Average number of clock hours of supervised clinical experience required prior to student teaching	0
Average number of clock hours required for student teaching	80
Average number of clock hours required for mentoring/induction support	30
Number of full-time equivalent faculty supervising clinical experience during this academic year	9
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	21
Number of students in supervised clinical experience during this academic year	72

Please provide any additional information about or descriptions of the supervised clinical experiences:

In the alternative programs, the plan of study requires that candidates complete a two semester internship rather than student teaching. Therefore, the first question regarding student teaching is not applicable. Since a value is required for certification, a value of zero was entered. As per the Louisiana Guide to Complete the Westat Title II Institution and Program Review Card, the university has counted all adjuncts as 1 FTE, regardless of how many students they supervise. As of July 1, 2018, alternate certification candidates must have 80 hours of actual classroom experience prior to internship.

Enrollment

THIS PAGE INCLUDES:

>> [Enrollment](#)

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

Total number of students enrolled in 2017-18	<input type="text" value="264"/>
Unduplicated number of males enrolled in 2017-18	<input type="text" value="49"/>
Unduplicated number of females enrolled in 2017-18	<input type="text" value="215"/>

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. ([§205\(a\)\(1\)\(C\)\(ii\)\(H\)](#))

2017-18	Number Enrolled

206

Two or more races

3

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

[Additional guidance on reporting teachers prepared by subject area.](#)

[What are CIP Codes?](#)

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2017-18 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

[>> Program Completers](#)

Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years.

2017-18	<input type="text" value="61"/>
2016-17	<input type="text" value="80"/>
2015-16	<input type="text" value="82"/>

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in mathematics in 2017-18?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in mathematics in 2017-18?

6

3. Did your program meet the goal for prospective teachers set in mathematics in 2017-18?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

NSU had 3 completers in the alt cert program; we had 10 students total enrolled in our Math preparation programs in 2017-18, so we met the goal of 6 prospective teachers added in 2017-18.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We had collaboration with school districts to identify and recruit persons of promise into the math alt cert programs. NSU received a grant in 2018-19 to recruit, train, and retain middle school math teachers.

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

7. Is your program preparing teachers in mathematics in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in mathematics in 2018-19?

6

9. Provide any additional comments, exceptions and explanations below:

Academic year 2019-20

10. Will your program prepare teachers in mathematics in 2019-20?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in mathematics in 2019-20?

6

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in science in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in science in 2017-18?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in science in 2017-18?

5

3. Did your program meet the goal for prospective teachers set in science in 2017-18?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

NSU had 8 completers in science in the alt cert program. So, in all, we had 9 completers in middle or secondary science ed programs (biology, chemistry, middle school science, and general science)

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We collaborated with school districts to identify and recruit persons of promise into the science alt cert programs. NSU received a grant in 2018-19 to recruit, train, and retain middle school science teachers.

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

7. Is your program preparing teachers in science in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in science in 2018-19?

5

9. Provide any additional comments, exceptions and explanations below:

Academic year 2019-20

10. Will your program prepare teachers in science in 2019-20?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in science in 2019-20?

5

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing

professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in special education in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in special education in 2017-18?

- Yes
 No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in special education in 2017-18?

6

3. Did your program meet the goal for prospective teachers set in special education in 2017-18?

- Yes
 No
 Not applicable

4. Description of strategies used to achieve goal, if applicable:

NSU had 12 completers in 2017-18 in the Mild Moderate Elementary 1-5 program and 2 completers in 2017-18 in the Mild Moderate Secondary program. Currently, NSU has over 50 students enrolled in our three alt cert SPED programs.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We collaborated with school districts to identify and recruit persons of promise into the SPED alt cert programs.

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

7. Is your program preparing teachers in special education in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in special education in 2018-19?

6

9. Provide any additional comments, exceptions and explanations below:

Academic year 2019-20

10. Will your program prepare teachers in special education in 2019-20?

- Yes
- No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in special education in 2019-20?

6

12. Provide any additional comments, exceptions and explanations below:

Annual Goals - Instruction of Limited English Proficient Students

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. ([§205\(a\)\(1\)\(A\)\(ii\)](#), [§206\(a\)](#))

Information about teacher shortage areas can be found at <https://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in instruction of limited English proficient students in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in instruction of limited English proficient students in 2017-18?

- Yes
- No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2017-18?

3. Did your program meet the goal for prospective teachers set in instruction of limited English proficient students in 2017-18?

- Yes
- No
- Not applicable

4. Description of strategies used to achieve goal, if applicable:

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

6. Provide any additional comments, exceptions and explanations below:

Academic year 2018-19

7. Is your program preparing teachers in instruction of limited English proficient students in 2018-19?

- Yes
 No (leave remaining questions for year blank)

8. How many prospective teachers did your program plan to add in instruction of limited English proficient students in 2018-19?

9. Provide any additional comments, exceptions and explanations below:

Academic year 2019-20

10. Will your program prepare teachers in instruction of limited English proficient students in 2019-20?

- Yes
 No (leave remaining questions for year blank)

11. How many prospective teachers does your program plan to add in instruction of limited English proficient students in 2019-20?

12. Provide any additional comments, exceptions and explanations below:

Assurances

Please certify that your institution is in compliance with the following assurances. ([§205\(a\)\(1\)\(A\)\(iii\)](#), [§206\(b\)](#)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

- Yes
 No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

- Yes
 No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

- Yes
 No
 Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

- Yes
 No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- Yes
 No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- Yes
- No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- Yes
- No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

Continued collaboration with LEAs and State DoE. Candidates enrolled in alternative certification programs complete field and clinical experiences in K-12 schools and must show that they have worked with diverse populations of students.

Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. [\(§205\(a\)\(1\)\(B\)\)](#)

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Summary Pass Rates

THIS PAGE INCLUDES:

[>> Summary Pass Rates](#)

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. **(§205(a)(1)(B))**

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact Westat's Title II Support Center and your testing company representative.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Pass rate](#)
- [Scaled score](#)
- [Teacher credential assessment](#)

Summary Pass Rates

Group	Number taking tests	Number passing tests	Pass rate (%)
All program completers, 2017-18	61	61	100
All program completers, 2016-17	79	79	100
All program completers, 2015-16	81	81	100

Low-Performing

THIS PAGE INCLUDES:

>> [Low-Performing](#)

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. ([§205\(a\)\(1\)\(D\)](#), [§205\(a\)\(1\)\(E\)](#))

1. Is your teacher preparation program currently approved or accredited?

- Yes
 No

If yes, please specify the organization(s) that approved or accredited your program:

- State
 NCATE
 TEAC
 CAEP
 Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- Yes
 No

Use of Technology

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Use of Technology](#)

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. ([§205\(a\)\(1\)\(F\)](#))

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction

Yes
 No

- b. use technology effectively to collect data to improve teaching and learning

Yes
 No

- c. use technology effectively to manage data to improve teaching and learning

Yes
 No

- d. use technology effectively to analyze data to improve teaching and learning

Yes
 No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

Integrate technology into curricula and instruction: With the advances in educational technology and its increasing availability in P-12 schools, it is imperative that teacher candidates be prepared to integrate digital-age tools for planning, instruction, student engagement, and assessment of learning. Candidates at Northwestern State University develop a digital-age skill set that includes Web 2.0 tools, interactive whiteboard technology, Universal Design/Universal Design for Learning. Candidates use their knowledge and skills in coursework and field experiences to create technology-rich learning environments that promote student inquiry, critical thinking, and problem-based learning. Use technology to effectively collect data to improve teaching and learning: Candidates experience the value of using student data in improving teaching and learning. They understand the concepts of 1) assessment of learning and 2) assessment for learning. Best practices in designing learning assessments are presented to candidates, and the candidates demonstrate their mastery of these through field-based activities. Candidates are afforded the opportunities to use technology to collect data on summative and formative assessments of student performance in lessons they teach before and during the clinical experience (student teaching or internship). Because each school district, and in some cases each school, has access to different tools, candidates collaborate with field-based cooperating teachers to select the most appropriate tools for data collection in the lessons they teach. Use technology to manage data to improve teaching and learning: Once candidates collect student performance data, they may use any number of applications to organize the data. Applications like Google Classroom and Eliademy are learning management systems with built-in assessment modules for collecting, housing, and analyzing data.

Other applications like Google Forms and SurveyMonkey are Web-based data collection tools from which data can be exported then imported into spreadsheet applications, like Microsoft Excel or Google Sheets, for organizing data in usable forms. Use technology to analyze data to improve teaching and learning: Candidates use spreadsheet applications, like Microsoft Excel or Google Sheets, to organize and analyze student performance data. Other tools embedded within the applications used to collect data may be available for candidate use as well. Student performance data are analyzed using any number of these tools to assist the candidate in reflecting on student performance and in making data-driven instructional decisions.

Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. [\(§205\(a\)\(1\)\(G\)\)](#)

1. Does your program prepare general education teachers to:

a. teach students with disabilities effectively

- Yes
 No

b. participate as a member of individualized education program teams

- Yes
 No

c. teach students who are limited English proficient effectively

- Yes
 No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

All students seeking certification within alternative certification programs must successfully complete a required special education course. This course focuses on all facets of special education and specifically addresses the preparation, instruction, and assessment of students with disabilities. This course provides training in Council for Exceptional (CEC) dispositions and knowledge required for working as a member of an Individualized Education Plan (IEP) team. Topics covered include Special Education law, major categories of disabilities, diversity, and education in the least restrictive environment (LRE). In addition to the topics covered in this class, the needs of diverse learners are a principal focus throughout other coursework. This program prepares both general and special education teachers to effectively teach students with disabilities by regularly examining and discussing the learning differences and similarities of all children. As coursework culminates, mastery of the aforementioned skills and an understanding of how to apply the provisions of disabilities law (such as Inclusion, LRE, and Individuals with Disabilities Education Act (IDEA) and the responsibilities of educators and stakeholders in an IEP is required of all candidates. Particular emphasis is given to understanding parental perceptions and concerns of disabled children and ways of working with parents, their children, and team members in order to assure optimum achievement for children.

3. Does your program prepare special education teachers to:

a. teach students with disabilities effectively

- Yes
- No
- Program does not prepare special education teachers

b. participate as a member of individualized education program teams

- Yes
- No
- Program does not prepare special education teachers

c. teach students who are limited English proficient effectively

- Yes
- No
- Program does not prepare special education teachers

4. Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

This program prepares special education teachers to effectively teach students with disabilities, participate as members of individualized education program (IEP) teams, and to work effectively with students with Limited English proficiency. Special education majors take a variety of courses designed to specifically support their development in working with learners with all types of exceptionalities. The program prepares teachers through a rigorous academic program that builds on a foundation of childhood education and psychology, and provides a strong sequence of field experiences. Student teachers and interns sit in on IEPs during the student teaching experience. These combined academic and practical experiences prepare candidates in all special education certification programs to be able to develop effective instructional plans tailored to the individual learning styles of children with exceptionalities. Candidates gain the knowledge and skills they need to succeed supported by expert faculty, master teachers, and field advisers/mentors

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

>> [Contextual Information](#)

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Founded in 1884 as the State Normal School, Northwestern State University continues its legacy of preparing teachers and other school personnel for their daily work in the schools. Evidence to support this statement includes published findings from the Louisiana Board of Regents Teacher Preparation Data Dashboards. The Data Dashboards were voluntarily developed by public universities, private universities, and private providers to provide the public with information about individual state-approved teacher preparation programs in Louisiana. The state given COMPASS teacher evaluation system evaluated teacher practice and student outcomes. The mean & effectiveness level for 221 1st and 2nd year teachers who graduated from NSU alternative certification programs were provided. Of this number, 92% of them scored in the highest two categories (effective: proficient and highly effective). The mean score for first and second year NSU teachers was 3.4 on a 4 point scale. The dashboard is published on the Board of Regents website. In Section 1, Program Information, NSU has been asked to provide ethnicity/race and gender information regarding our enrolled students. A number of them declined to select an ethnicity/race and/or gender category on their admission application. Thus, the number provided in ethnicity/race and/or gender may not match the number of unduplicated males and females.

Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.

Report Card Certification

Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

Certification of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual.*

NAME OF RESPONSIBLE REPRESENTATIVE FOR TEACHER PREPARATION PROGRAM:

Dr. Katrina Woolsey Jordan

TITLE:

Director, NSU School of Education

Certification of review of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the *Higher Education Opportunity Act, Title II: Reporting Reference and User Manual.*

NAME OF REVIEWER:

Suzanne Williams
