

# Sigma Theta Tau International Honor Society of Nursing®

## Poster Presentations only

Abstract submission deadline is **April 19, 2021**

Beta Chi Chapter, Sigma Theta Tau International & Northwestern State University Nursing Continuing Education  
*Present the 2<sup>nd</sup> Research Carousel Conference*

Nursing scholars are invited to present a 10-15 minute POSTER presentation on a broad range of nursing topics related to service, transformation, and leadership areas significant to national and international nursing as well as studies or papers related to clinical, administration, research, and education. All research and scholarly papers must be Evidence Based Practice.

### SUBMISSION FORMAT:

Please complete the attached ELB poster template and submit to Donald Johnston PhD, RN – MHS, RRT at [Johnstond@nsula.edu](mailto:Johnstond@nsula.edu)

### EVALUATION CRITERIA:

Abstracts will be reviewed for clarity and scholarly merit. Research studies will be evaluated for purpose, conceptual basis, methodology, findings and implications for nursing. Those posters selected will be given a specified time to present their poster in front of an audience. Only one poster will be presented at a time, 10-15 minutes will be allotted (based on the number of posters chosen) and then the next poster will come up to present, etc. The posters presentations will be presented electronically (no need to have a poster printed).
