4981, 5300, and 5301 would need to be applied to the course (governing all subtitles of the course). Dr. Greg Granger, responding for the School of Social Sciences, indicated this would be acceptable. Prior to the meeting, Dr. Roger Chandler informed the council that the Graduate Council had approved item B with the stipulation that the disability statement used in the course syllabi be updated to the current statement issued by the Office of Disability Services. Dr. Granger confirmed that this action would be taken. All items approved, as amended, without opposition.
