A representative from the SOWK department was not present to respond. Item VIII-A was tabled, by a vote of the council, until a department representative could be present. All other items were approved without opposition.**

Following the final vote and official adjournment of the meeting, Ms. Bette Maroney posed a question as to why the council meetings had been rescheduled to the second Tuesday of the meeting months. Ms. Lillie F. Bell responded. She stated the meetings were rescheduled because the chair, Dr. Lisa Abney, had scheduled Board meetings during the third week of the months which would prevent her from chairing. Ms. Maroney then questioned why the time of 3:15 p.m. was selected as the meeting time. A council discussion ensued in which Ms. Maroney indicated she had a class until 3:15 p.m. and requested the meeting time be changed to 3:30 p.m. Dr. Mike Cundall noted the change would potentially cause a problem for those who have a class beginning at 4:00 p.m. Ms. Maroney questioned who would have a class starting at 4:00 p.m. on Tuesday. Dr. Cundall stated, he did.

Ms. Kelli Haynes noted a later meeting time would also be inconvenient for representative traveling from the Shreveport campus. Ms. Lillie F. Bell asked for a vote concerning Maroney's request for the meeting time change. The change was opposed by four council members – Dr. Mike Cundall, Ms. Kelli Haynes (on behalf of Dr. Laura Aaron), Dr. Barbara Duchardt (on behalf of Dr. Kimberly McAlister), and Dr. Sharon Joy.

Ms. Bell informed the council she would present the request and results of the vote to Dr. Abney for consideration.
