 - ³ All six semester hours must be in the same foreign language – 1010, 1020.

E. Add the following catalog text concerning the new degree program in Organizational Leadership (260):

The Bachelor's Degree in Organizational Leadership consists of 30 hours of core courses offered jointly by faculty at the nine University of Louisiana System institutions and 30 hours of concentration and elective courses. The courses are offered in five, eight-week sessions each year and can be completed in two

calendar years. Courses will be taught through an online platform and will be uniform in cost across concentrations and universities.

To enter the program, students must be at least 25 years old and have completed 60 hours of college credit, including general education courses. However, students with less than 60 hours will have opportunities to earn credit online or through prior learning assessment that gauges skills learned on the job.

Students must complete the 30 core hours in Organizational Leadership and complete the curriculum requirements specific to their concentration. Contact the Department of Criminal Justice, History, and Social Sciences for detailed information (318) 357-6967.

F. Add the following new courses for undergraduate credit:

- ORGL 3000 – Introduction to Organizational Leadership Principles and Concepts (3-3-0).
- ORGL 3170 – Concepts and Technologies of Organizational Communication (3-3-0).

Action: All items approved without opposition.

III. Department of Biological and Physical Sciences

A. Make the following changes to the Pre-Medicine or Pre-Dentistry (618F) curriculum:

- 1st year – Add – Humanities³ (3 hours). [Increasing year total from 28 to 31 Semester hours.]

 - SCHM 4820 – change course description and prerequisite.

Action: Dr. Austin Temple requested, and was approved, to address the council with his concerns regarding the proposed removal of the laboratory courses as corequisites for the SCHM lecture courses. He informed the council that he disagreed with the department's assertion that the laboratory courses were not necessary and voiced his concern that students would be done a disservice if they were not required to complete the laboratory component. Dr. Holly Stave, for the Louisiana Scholars' College, informed the council the proposed changes were being presented in an effort to comply with pressure to offer the courses online and that the department had found the required laboratory courses an impediment to that process. After some discussion, council member Mr. Richard Hughbank moved to table all items until a later date to allow Dr. Massimo Bezoari, submitter

of the proposed changes, to be present to address the council. Motion approved without opposition. All items tabled. The council agreed to reconvene for a special meeting, Friday, February 22, 2013 @ 11:00 a.m.
